here's one college credit you'll use long after graduation

Really, it's simple economics. When you apply for and receive a Foley's charge card, you'll gain a credit rating; and your prompt payment and good judgment keep it A-1. Plus, you don't have to wait for graduation to get it-- let us know whether you're a junior, senior or graduate student. If we cannot verify your class status in the Student Directory, please attach verification of class status; for example, a paid fee slip. Fill out the attached form and return it to us. Send this application to:
