California Astronomer Will Be On Campus Monday, Tuesday

Dr. George Ogden Abell, planetarium lecturer for Griffith Observatories, Los Angeles, Calif., will be on campus Monday and Tuesday.

The former National Geographic Society observer is scheduled to speak on "Observational Tests for Cosmological Models" Monday night at eight in Room 146 of the Physics Building.

Ogden will give two other lectures Monday afternoon, one Tuesday, and will be available for consultation Tuesday. Those wishing to talk with Abell are asked to contact Dr. J. T. Kent of the Department of Mathematics.

Abell is a member of the American Astronomical Society and the Astronomical Society of the Pacific. He has specialized in problems relating to organization, structure, and distribution of clusters galaxies.

He was an observer with the National Geographic-Palomar Observatories from 1953 to 1956. Abell has served as an instructor and assistant professor of astronomy at the University of California. He has also been a consultant with the Space Technology Laboratories since 1956.

SAC Officers Plan Guion Presentation

Officers of the U. S. Air Force's Strategic Air Command will present a comprehensive description of their command's mission, equipment and performance for all AFROTC Cadets Saturday morning at 8:30 in Guion Hall.

Professor of Air Sciences Colonel James F. Starkey has extended an invitation to the general public to attend the briefing, which has been an annual program presented by the Department of Air Science.

The briefing will be illustrated with slides and motion pictures.

Starkey said in the past year SAC has evolved a weapons mix of heavy bombers and intercontinental missiles which has maintained its position as our primary deterent to another world war.

Wives Sponsor Rummage Sale

The Agricultural Economics and Sociology Wives' Club will sponsor a rummage sale Saturday at Orr's downtown store. The sale will get underway at 9 a.m. and run until 5:30 p.m.

The wives have asked anyone with old clothes to donate to the sale to call VI 6-5620. Funds raised from the sale will be used for the annual PHT Banquet.

Math Contest Exams Slated For April 30

The annual mathematics contest examinations are scheduled for Tuesday, April 30, from 7:30 to 9:30 p.m. The freshman contest will be held in Room 223 of the Academic Building, and the sophomore contest in Room 225.

Freshmen currently enrolled in Math 121, 122, 209, 210 or 223, and sophomores now taking Math 307 are invited to consider participation in these contests.

Houston Man Will Address Accountants

S. E. Scharff of Ernst and Ernst, Houston, will be one of the speakers featured during the sixteenth annual Accounting Conference. The meeting will open on campus at 9 a.m. Monday.

Scharff will speak Monday afternoon on "An Operational Approach to Management Services."

"Tools to Beat the Cost Squeeze" is the theme of the conference this year.

One hundred persons are expected for the conference according to Walter S. Manning of the Division of Business Administration. Manning is general chairman in charge of arrangements for the session.

Houston accountant George W. Lafferty of Cheatham, Brady, Lafferty, Kendall and Co. is slated to serve as conference chairman.

Humble Engineer To Talk Tuesday

Douglas Ragland, engineering manager of Humble Oil & Refining Co., Houston, will lecture at 8 p.m. Tuesday. Title of the lecture scheduled in Room 146, New Wing, of the Physics Building is "The Great Engineering Implosion."

Cosponsoring the lecture are the Graduate School and the A & M Chapter, American Society for Engineering Education.

Ragland is a member of the Engineers Council for Professional committee of the Society of Petroleum Engineers of the American Institute of Mining, Metallurgical and Petroleum Engineers. He also holds membership in other professional organizations and is the author of numerous technical papers.

The engineer has been with Humble since 1935, working from roughneck through various engineering positions including chief petroleum engineer to his present post.

Ragland holds the Bachelor of Science degree in mechanical engineering from Rice University.

Happiness isn't formed with facial muscles. It is deeper than a smile. Its brightness is merely mirrored in shining eyes.

Happiness is the warm fertile climate with which God has endowed each human soul. It will flourish as long as our hearts and minds are exposed to the radiance of God. And, for those who discover early the spiritual center of happiness, no storm of life can ever penetrate so deeply as to chill the joy of the soul.

Are you less conscious of that inner happiness than once? Perhaps you're living in the shadows . . . groping in dark forests . . . only a glimmer of God's truth filtering through.

Bring your soul out into the sunlight. Seek joy where it is found. The Church points the Way.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
