Aggie Flashback

10 years ago — The A&M football team upset Penn State on the Lions' home turf. Scores of fans mobbed Easterwood Airport to welcome the victorious team back to Aggieland.

25 years ago — Representatives from the Peace Corps visit campus to recruit students for the Peace Corps service organization.

50 years ago — Cadets learned that a new moving picture theater in Bryan was near completion. The construction of two other theaters also were planned for the Northgate area.

75 years ago — *The Battalion* ran a story announcing a contest for cadets to submit an original college song for A&M. The story stated that the college was 38 years old and third in size among the institutions of higher learning in the state, but had yet to have a college song. The rules were that a cadet could only submit a song he had written, but it could be original words adapted to a familiar tune. The contest was later called off because only one song had been submitted.
