AUTO REPAIRING — I have had several years experience in garage work, and will be prepared this year to do repair work on campus machines. Reasonable prices. Give me a trial.

Mail in Company Boxes.

Hereafter, all cadet mail (unless otherwise ordered) will be deposited in the company boxes at the campus postoffice. The keys to these boxes have been left with the mail carriers of each organization, who are responsible for the delivery. None of the company mail, from now on, will be handed out through the postoffice window.

Don't neglect to have your letters, papers and parcels sent in care of your **COMPANY AND REGIMENT**. This saves delay,
O. O. HENDERSON.

Season Athletic Tickets.

For the benefit of freshmen, the following notice is printed:

A student coupon book which may be purchased for six dollars entitles the purchaser to admission to all intercollegiate games in football, basketball baseball and track held on the campus. These books are now being offered by the captain of your company and should be purchased now. The coupons call for admission to about \$15.00 worth of contests throughout the year and mean the saving of nine dollars.
