To Report Game in Detail.

A diagram of the football field at Dallas and a detail report of the Haskell Indian game, through megaphone, will be arranged on Kyle Field this afternoon. An audible report of every play, who carries the ball, position of the players, where ball is, number of downs, and every other interesting detail, will be received by the instrument on the grounds and called out while the Freshman-Port Arthur game is in progress.

P. G. Haines, who is in Dallas to handle that end of the service, wired to Mr. Firth yesterday, "Contract complete, service and bond secured."

Holders of coupon books will be admitted to the Port Arthur College game free of charge, but will be asked to pay 25 cents each for the benefit of the Longhorn and Y. M. C. A., under whose auspices the telegraphic report is to be given. To those who do not hold coupon books, a charge of 50 cents will be made, 25 cents for the game and 25 cents for the service.
