The Senior Dance.

Through the efforts of Captain C. H. Muller and the kindness of the Department of Civil Engineering we will be allowed the use of the large drafting room in the C. E. Building for our dances.

It now behooves every senior to raise the social standard of the College and to promote a better feeling between the residents of the campus and the corps of cadets. The campus people sacrifice a great deal of their time and patience for the entertainment of our friends, and we should show our appreciation to them in every way possible.

It is our intention to have four campus ladies serve on our reception committee at each dance

and to be official chaperones. We hope to have all the ladies of College Station serve on the program between now and June, but we extend a hearty invitation to all of them to attend every dance.

It is up to the members of this year's Senior Class to set the standard. Let's everyone get busy and support the social side of the institution.

The next Senior Dance will be on Saturday evening, the 18th. Make your date and come out.

Social Secretary,
H. L. FRY.
