

Enables You to Find Anybody.

While we were correcting the list of the students for the Directory, many were inquiring if certain fellows that they had heard of were in school and where they could be found. The directory is expected to be here by Monday night. With one at your disposal you have the following information: The name of every student, his course and year, his company and regiment, hall and room number, and his home address. This will not only save you a great deal of time and trouble throughout the session, but it will be handy to carry with you during the summer as an easy reference to the address of any student
