## To Captains of Companies.

Captains of organizations will turn in to the Commandant's office by 8 a. m. Tuesday, the 12th inst., the numbers of the rooms and name of hall in which there are three cadets to a room.

Each Captain will turn in the information relative to his own organization, except the captain of the Band, who will turn in the information for all of Pfeuffer Hall. It is very important that lists be accurate.

C. H. MULLER,  
Commandant.

## Help the Janitors.

Students are becoming careless about throwing scraps of food, fruits, and papers out of their windows into the courts and on the ground around the dormitories. This practice more than doubles the work of the janitors. Please help us by not throwing this trash around, but put it in the cans in the halls.

The Student Janitors.

Everyone going home by way of Ft Worth or Dallas are requested to meet in the East end of the Mess Hall immediately after supper tonight.

## You Can Help the College.

The 2,000 feet of motion pictures, two reels, made of A. and M. activities last commencement is available for use in any town in Texas. The cost of this film will not exceed \$4. Added to it will be pictures of the Baylor-A. and M. game at Waco and perhaps something from the Austin game. During the past summer the Graham Club, J. M. Burkett, president, gave a benefit show, using this picture and two reels of good melodrama. A local orchestra completed the attraction and the pictures were shown to a large crowd. The Graham Club made a neat little sum and advertised A. and M. in a highly profitable manner.

If you are interested in this matter, take it up with me before the holidays.
