

# THE DAILY BULLETIN

Published daily (except Mondays) by the A. and M. Print Shop for circulation among students, faculty, and campus residents.

Vol. II. College Station, Texas, Thursday, February 8, 1917. No. 108.

## **Agricultural Engineering 27.**

Students in Agricultural Engineering 27, Farm Concrete, who wish to work Saturday evening, February 10, will please notify me by Thursday evening.

LEROY RHODES.

## **Judging Team Work-out.**

All animal husbandry juniors who are competing for a place on the stock judging team are asked to report to the hog barn at 1:15 today for practice.

F. W. BELL.

## **Automobiles.**

The department of Agricultural Engineering has been authorized to offer for the second term course in Automobiles, to be known as Agricultural Engineering 402A (2 0). The list of those who have been allowed to register for this course will be posted on Bulletin Board No. 17, on the second floor of Main Building. These students will form Sec. C.

CHARLES PURYEAR, Dean.

## **Automobile Engineering.**

Agricultural Engineering 402A (automobiles two hours theory only) will be given at 9:00 on Thursdays and Saturdays.

LEROY RHODES.

**EXTRA!** This is an extra issue of the Daily Bulletin, published for the accommodation of official announcements.

## **Descriptive Geometry.**

Provided as many as 10 students apply for it, the Department of Drawing will offer in the second term a course to be known as Drawing 124 (2-0), which will cover the work of Drawing 103, Descriptive Geometry, as given in first term. Students taking this course will form section B, and will recite Tuesdays and Thursdays at 10:00 a. m.

Those who wish to take advantage of this opportunity should make written application to me not later than 4:30 Friday, February 9th.

CHARLES PURYEAR, Dean.

## **Lesson in Calculus.**

For Friday the lesson in Calculus for all sections will be pages 241, 242 and 243

CHARLES PURYEAR, Dean.

## **Petitions.**

Additional answers to petitions will be posted on Bulletin Board No. 17, today.

CHARLES PURYEAR, Dean.
