The Munson last gives more comfort for corns, bunions, in-growing toe nails and other stylish decorations than any other shoe. Get your shoes now and save demerits; get them of me and save money.

Are You a Well Read Man?

"Reading maketh a full man." Not the reading of one particular course of study, mind you, but general reading will make you a broad man. Newspapers and magazines are as necessary for your enlightenment as are the text books. A little bit of cash only is needed. Sorry we can't afford to credit you. Thanks for your patronage.
