Two Lieutenants Are Transferred

Lieut. John B. Boyle, adjutant of the training detachment at the College, has been transferred to Austin for duty with the military district inspector for the Students Army Training Corps of this district, including four states, while Lieut. Claude W. Regan, also of the training detachment, has been ordered to Jacksonville, Texas, where he will be the commanding officer of the S A T C. unit at Alexander Collegiate Institute.

Will Give Engineering Course

President Bizzell has been advised that the College may establish a special two-year engineering course, the students in which will be permitted to complete it before they are called to the colors.
