

Students May Enlist in Navy

President Bizzell has been advised by Lieut. DuBose of the naval recruiting service that beginning October 1, a naval section of the S. A. T. C. will be organized here and that 100 choice young men of the institution will be permitted to enlist and pursue electrical and mechanical engineering courses calculated to fit them for special duty in the navy. Full details have not been received and young men who are interested in the matter are advised to watch the Daily Bulletin for further announcements as fuller information is received.

Wants Owner of Wrist Watch

Mrs. D. C. DeMaret wishes to return the wrist watch which she borrowed from a soldier at the dance last Saturday afternoon. If the owner will please call on the undersigned at the "Y" building he will be aided in the return of the watch.
