## Pro Boxing Is Beginning To Smell; Louis Will Win Return Match With A KO

Joe Louis won a split decision over Arturo Godoy a few nights ago in a 15-round show, and the next few minutes found the promoters scheduling a return match for about June.

Godoy might have put up a great fight, but again Louis might have carried the South American for the route to get a big crowd to a return match.

The million-dollar gates are not appearing any more and the boys in New York are not getting the big easy "sugar" now. They expect that thousands of people would flock to a fight if they thought there was a chance of Louis being beaten, and it looks like that is just what they have been building up to.

## Boy Scout All-Americans Speak In Bryan; Kimbrough and Boyd Make Team

John Kimbrough and Joe Boyd spoke to the Boy Scouts of Bryan last week during Boy Scout Week. John and Joe were both selected on the first All-Scout All-American football team.

That calls to mind the fact that football season has never really ended at A. & M. this year and now the boys are out on the practice field doing spring training work. It seems as if only last week we were all in New Orleans for the Sugar Bowl tilt.

This football is getting to be almost a 12 months' sport.

## Minor Sports Day Planned To Boost Student Support

Captains or representatives of all minor sport teams will meet in room 110, Academic Building, tonight to discuss the adoption of a three-day meet for minor sports to be held during this term.

In the past, the turnout for most of the minor sports events has been very unrepresentative of the school spirit for which A. & M. is famous. Under the present system many of the teams travel far and wide to participate in games or matches with other teams in addition to their home schedules. It is proposed that each team invite one opponent to College Station to complete in Minor Sports Days. This will provide one game in each of the twelve minor sports within a period of three days and give the cadets an opportunity to give their teams the support that they deserve and need.

"Woody" Bell, brother of Beau Bell, once with the St. Louis Browns, figures to be a likely candidate for the San Antonio outfield, after serving his freshman year with Springfield, where he batted .314 and showed plenty of power.

Woody is a former Aggie great and was one of the "cream of the crop" group of St. Louis Browns whose pictures were carried in the last Sporting News in connection with a story telling how the Browns are trying to build up from their chains.

Marty Karow is still holding an inside track on getting the head coaching job at Kansas. . . Botchy Koch, former All-American guard at Baylor, has accepted the coaching post as line mentor at Tulsa University, which will play the Aggies in San Antonio October 5. . . Moon and Bumpers are both eligible and that brings a sigh of relief to Marty Karow. We hope he can sign some more in a couple of weeks.

## Nisbet Named Junior Editor of Magazine

Announcement has been made by the editors of The Battalion that Bob Nisbet has been named a junior editor on the staff of The Battalion Magazine.

During the past semester he served as a junior editor of the newspaper and as movie editor for both the paper and the magazine. He will continue to perform these services as well as fill his new post on the magazine staff.

## EXTENSION SERVICE MEMBERS ATTENDING COTTON COUNCIL MEET

They were in charge of setting up a mattress making exhibit in which the Extension Service is cooperating with the National Cotton Council.

## Arkansas Sets New Scoring Record Of 75 Points with SMU

Coach Asks That All Refrain from Smoking During Basketball Games

Those long tall Razorbacks from the Ozarks will be here tomorrow and Saturday nights to battle the Aggie quintet for middle place honors.

Arkansas set a new scoring record last week when they scored 75 points against S.M.U. and that makes it look black for McQuillan's point makers.

**Aggies Ailing**

Joe Adams, a long gangling lad, was the highpoint man in the conference last season and he is still looping in counters from all over the court. He is teamed up with "Lanky" Frieberger, the six-foot eight center, who is also a point maker deluxe.

A. & M. will not be in the best of shape for the crucial series. Captain Woody Varner and "Big Dog" Dawson are on the ailing list with injured knees. Bill Henderson is still suffering from a touch of flu. J. T. Lang has never been able to get his ankle in shape since hurting it early in the season. Jude Smith is having a fight to overcome a cold.

Both games will start at 7:30 p. m. and interest points to a large crowd.

Coach Hub McQuillan has issued a plea for the spectators to please refrain from smoking during the games. The lighting is very poor in the gym and the smoke adds to the problem besides affecting the players.

**INTRAMURAL HIGHLIGHTS**

By HUB JOHNSON

## Aggie Cagers Nose Out Houston Team Here Monday Night

Aggies Beat Second Presbyterian Five 40-39 By Last-Minute Effort

The Aggie basketball team took an early lead against the Second Presbyterian team from Houston Monday night and held it until the last two minutes when they blew it, but were able to sink a "prayer" toss in the last minute to win 40 to 39.

Second Presbyterian had a team of former college stars and they made things very interesting towards the latter part of the fray. "Snipper" Norton, the former S.M.U. point maker, was held to two points, but Willis Orr, formerly with Rice, took high point honors with 13 points.

Dawson led the scoring parade for the Aggies, registering five field goals and two free throws.

## EXTENSION SERVICE HEAD SPEAKS AT BIRMINGHAM MEETING

Southern Agricultural Workers meeting in Birmingham, Ala., recently heard for their 41st annual convention H. H. Williamson, director of the Texas A. & M. College Extension Service, describe Texas' leadership in the "Use More Cotton" and "Buy or Make a Mattress" campaigns. Mr. Williamson spoke at a cotton banquet and style show.

## Swimming Team To Hold Six Meets In Northern States

Main Contest To Be With Illinois Athletic Club In Chicago Wednesday

Coach Arthur Adamson and the A. & M. Swimming Team will leave Friday at noon for a series of swim meets in the north-central portion of the United States.

The main event of the trip will be a water polo game with the Illinois Athletic Club of Chicago. As an appetizer for this main seafood course the school of aquatic stars will meet the following teams: Oklahoma University, Saturday in swim meet; Merimac Patrol, Monday, in St. Louis for a water polo game; Illinois University, Tuesday, for a swim meet and water polo; and Wednesday the main dish, the polo game with the Illinois Athletic Club.

The demi-tasse or return itinerary will include meets with Iowa State and Oklahoma A. & M.

Only nine of the twelve men to make the trip have been named so far by Coach Adamson. The selected few are S. H. Hensley, T. G. Hall, E. Johnson, N. A. Ponthieux, Pinkney Couch, G. T. Japhet, E. W. Conway, W. M. Robertson, and T. A. Kirk. Bubba Reeves and Paul Ketelsen are also likely to make the trip. Conway, Robertson, and Kirk are first-year men.

The boys from the P. L. Downs Natatorium of College Station invade the north as a widely heralded rebel of the south having won the 1939 National Water Polo Championship and being runner-up of the 1938 national campaign.

This year is the 100th anniversary year of the founding of the first U. S. dental college in Baltimore, Maryland.
