### All-Star Tilt Between Bryan and A. & M. Should Prove Interesting Fray to Spectators

Today, on Diamond No. 4, A. & M. will attempt in some type of fashion to present to the College Station fans an All-Star game, one mindful of a classic between a galaxy of stars from two selected professional leagues.

Of course, everything is on a small scale, but those who have been regular spectators at the semi-weekly Twilight League softball frays know the type of competition that exists here. From 5,000 Aggies have come the cream of the softball crop and that same bunch will trot out on the field this evening at 7 o'clock sharp.

The pitching, hitting and fielding has been far above par over previous years, and today you will see a combination of the best 10 players in the whole league fighting it out for supremacy with Bryan's ace tossers.

As I have not seen any of the Bryan players in action, I can't say what kind of a team they will bring. From Bryan Eagle Sport Editor John Sidney Smith's col-

umn, word comes that the visitors have a well-rounded team, one which could give any softball opponent a hard fight.

Hitting especially characterizes the Twilight League All-Stars. Black, Newberry, Atkins, Frost, Taylor and Carl are far above the charmed .300 circle, with Black and Newberry hitting above the .400 mark. As for the fielders, the All-Stars employ the fastest in the league. With such stars as Leo Daniels, Rock Roberts and Milton Sims chasing fly balls, you'll see many would-be bingles snagged as easy outs. Johnny Hejl, ace flinger for Loupot, and Gregg Ramsey of Campus Cleaners, on the mound, you can bet that the Bryanites are not in for an easy time.

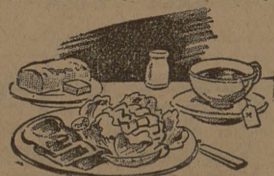

The game starts promptly at 7 o'clock, so get out there as soon as possible. You'll see two fine squads in action, and if you want to see an exciting softball affair, come out on Diamond No. 4, which is on the way to the gym, and enjoy a full hour or so of entertainment!

### Sports Squibs From Here and There; Today Is Final Day to Turn in Football Ballots

Fans, today is the final day for you to vote on your favorite Southwest Conference star so be sure you get one or two ballots in either at the Battalion Office or at ballot and George's... Don't forget, you can vote more than once, so let's see what we can do about sending some of our boys to Chicago... remember how hard they worked boxes located in the Academic Building, Casey's Confectionery for us when they were down here

... Let's repay them the only way we can and that's to send them to the all-star classic in Chicago... the final tabulation will be announced in this paper immediately following the announcement... Capt. Henry (Pelly) Dittman, who, just before the hostilities in the Pacific broke out, flew a squadron of bombers to Hawaii, received his just reward this past week when he was presented the Distinguished Flying Cross by Major General Robert Olds at Boise, Ohio... Sacks for the bases have arrived and both players and spectators have shown their approval of the deal... Beaumont has been feeling out Aggieland for a possible scheduled football game with a service team at that city... Could be... Feelers have also come in from other towns, but, at present nothing definite is known and will not be known until September... Just put either Corpus Christi or Sheppard Field in that little black book and you'll pretty near hit it smack on the head... Johnny Hejl, Loupot's hurling ace, put another one under

### Loupot, Campus Cleaners, Lipscomb And Theatre Win

Loupot's Trading Post and Campus Cleaners drew away from the rest of the teams in the league as they came through last evening with close victories. Loupot's edged out Madeley's Pharmacy by a score of 7 to 4 and the Campus Cleaners kept right on the heels of Loupot's boys, a game out of first place, by defeating the Aggie Cleaners 4 to 2. The Campus Theatre took over undisputed possession of fourth place by eking out a 6 to 4 win over Holick's Cleaners, and in the other game of the evening Lipscomb's Pharmacy trounced the Faculty by a score of 6 to 3.

Loupot's had lots of trouble in winning their game from Madeley's Pharmacy as the pharmacy boys hustled all the way before they went down to defeat at the hands of Miller, Loupot's spin ball artist. Loupot's boys started out like a house on fire and scored five runs in the first two innings but after that Lefty Carroll the Madeley Pharmacy pitcher tightened up and held them in check (See TWILIGHT, Page 4)

## Rematch Scheduled For Bryan Fri

Game To Be Reeled Off On Diamond 4

The Twilight League and Bryan Commercial League All Stars will clash tonight in their annual game on Diamond 4 on the old drill field and will start promptly at seven o'clock as the game must be over by 8:30 to allow the Aggies to hit their books.

Both leagues have chosen two selections composed of the stars of the two leagues. Tonight the A selections of the leagues will tangle to determine which takes on the lead in the two game series. Friday evening the B selections will square off in Bryan.

The games should be very close as there is very keen rivalry between the leagues. This will be the first time that the Bryan Commercial All Stars have played on the Aggies home diamond. So far in the past all the annual All-Star clashes have taken place in Bryan.

In previous years the teams have always split the series but this year the Aggies will put on the field two of the strongest teams that ever faced the Bryan All-Stars and Twilight League fans have high hopes of seeing two Aggie victories tonight and tomorrow evening.

The umpires for tonight's game will be Bing (Twilight League) Wesson (Twilight League) and an umpire from the Bryan Commercial League.

Probable starting line-up for the Twilight Leaguers includes:

Black (Campus Theatre)	1b
Frost (Holick)	2b
