

BILL TO EXTEND RENT CONTROLS CLEAR COMMITTEE

WASHINGTON, Feb. 20.—(AP)—A bill to continue rent controls for one month through March 31 moved a step toward passage by the House.

The House Rules Committee cleared it to the House. That means the House members will be allowed to vote on it next week.

Present rent control laws will expire Sunday after next unless Congress renews them.

RATIONING GRAIN WHISKY VOTED BY SENATE GROUP

WASHINGTON, Feb. 20.—(AP)—A Senate Banking Subcommittee voted 4 to 0 yesterday for rationing grain to whisky makers through October 31.

The subcommittee recommended that the liquor industry be allotted not less than 2,500,000 bushels of grain a month.

STATE TEACHERS WANT RURAL AID DEFICIT CLEARED

FORT WORTH, Feb. 20.—(AP)—The Texas State Teachers Association wants the \$3,000,000 deficit in rural aid funds met, some way or another. E. J. Cobb, secretary-treasurer of the state organization, declared here yesterday.

If the deficit is not met, it means shorter terms for many Texas schools, or teachers working without pay for some time, Cobb pointed out.

FROM BOXING RING INTO POLITICS, SAYS LOUIS

NEW YORK, Feb. 20.—(AP)—Heavyweight Champion Joe Louis said yesterday he would enter the political ring after his retirement from the boxing ring.

The champion's surprise statement came shortly before he sailed on the Queen Mary for England, where he will stage an extensive series of exhibitions.

During his talk with newsmen, he repeated a previous statement that he'll give Jersey Joe Walcott just two weeks to sign for a return shot at the title.

SUPERINTENDENT OF DEAF SCHOOL TO BE RETAINED

AUSTIN, Feb. 20.—(AP)—Roger M. Powell, superintendent of the state school for the deaf and target for recent student uprisings there, will be retained.

The state board of control announced its decision in a formal report of its investigation at the school following the November 24 student strike which demanded Powell's removal.

The board, in its report, noted that the school had a long history of troubles—and each time the demand has been made that the superintendent be removed.

The board said it had found "outside influences" had misled the students in past disturbances at the school.

US-ENGLAND ASK RIGHT TO CHECK DEMILITARIZATION

BERLIN, Feb. 20.—(AP)—The United States and Britain demanded the right yesterday to inspect all phases of demilitarization in the Soviet occupation zone of Germany.

The demand was in answer to Russian insistence on the right to examine naval bases in the British zone.

The demands were made at a meeting of the allied control councils' coordinating committee. The Russians charged the western allies were frustrating demilitarization. No agreement was reached.

CIO MEAT PACKERS PLAN STRIKE STRATEGY

CHICAGO, Feb. 20.—(AP)—The CIO United Packinghouse workers of America yesterday voted a strike at the nation's leading meat packing plants.

The union's strike strategy committee authorized the walkout after a 20 to one vote by some 100,000 members in favor of a walkout.

The committee set a strike date but declined to announce it.

ARKANSAS DEMS WILL WITHDRAW

LITTLE ROCK, Feb. 20.—(AP)—The Arkansas democratic committee yesterday threatened to take "effective action" to withdraw its support from the national party if party leaders continue their "antagonistic attitude" toward the South.

"Unless the national leadership of the party can be prevailed upon to recognize that traditions and fundamental principles of the party transcend in importance the supposed political expedients of the moment, then it is time for us to take whatever effective action is open for us to withdraw our support," a resolution declared.

VA PROMISES VETS BETTER FACILITIES

DALLAS, Feb. 20.—(AP)—Action to improve and expand education and training facilities for veterans in Texas, Louisiana and Mississippi was promised at a meeting of Veterans Administration and American Legion officials here yesterday.

About 150 legion service officers from the tri-state area and VA Region 10 officials attended the joint forum.

WEATHER

East Texas: Cloudy to partly cloudy, colder, showers in extreme east-central portion this afternoon. Partly cloudy, colder in east and south portions, temperatures near freezing in upper Red River Valley tonight. Saturday partly cloudy, not so cold in north and west portions in afternoon. Fresh to occasionally strong northerly winds on the coast diminishing Saturday.

West Texas: Partly cloudy, colder this afternoon. Partly cloudy and not so cold, temperatures 26 to 30 in Panhandle and South Plains tonight. Saturday partly cloudy, warmer in afternoon.

Pre-Med, Pre-Dental Banquet Is Tonight

Cancer Research Institute Member, Dr. Ben Wells, Principal Speaker

Final arrangements have been completed for the annual banquet of the Pre-Medical and Pre-Dental Society to be held tonight at 7 p. m. in Sbis Hall, Don Carroll, president of the society, has announced.

Principal speaker will be Dr. Ben Wells of the Cancer Research Institute, Houston, who will address the meeting on "The Impact of Cancer Research on Professional Education and Practice."

Cancer research is a topic on which Dr. Wells is well qualified to speak since he finished his post-graduate work in this specialty at Mayo Institute in Rochester, Minn. Carroll said. He is a native of Temple, Texas and a graduate of the Baylor University Medical School.

Other men prominent in medical and dental schools of the Southwest will also be present as honor guests, Carroll added.

Those who have already accepted invitations to attend are Dr. James K. Peden of Southwestern Medical School, Dr. John C. Haley of the Baylor Medical School, Dr. D. Bailey Calvin of the University of Texas Medical School, Dr. George L. Powers, Dean of the Baylor College of Dentistry, and Mason H. Boudrye from the Texas University Dental School.

Each of the honor guests will speak. According to G. E. Potter of the biology department, it is hoped that students planning to enter medical or dental school soon may become acquainted with the educators, and get information and advice from them.

Sponsors of the Pre-Medical and Pre-Dental Society are members of the official Pre-Medical Committee. They are G. E. Potter and A. L. Schipper of the biology department, E. B. Middleton and C. W. Burchard of the chemistry department, and C. H. Bernard of the physics department.

Tickets for the banquet are \$1.25 and may be purchased from Paul Fanguy in Room 3, Leggett Hall.

Quisenberry Made Head of SAWA Poultry Division

Dr. J. H. Quisenberry, head of the poultry husbandry department, has been elected chairman of the Poultry Section of the Southern Agricultural Workers' Association for 1948.

Dr. Quisenberry has just returned from Washington where he attended a meeting of the association and a session of the Southern Regional Poultry Breeding Project committee.

Papers giving the results of research and experimental work carried on by the poultry husbandry staff were presented at the meeting. Additional funds were secured from the USDA for the development of the poultry breeding work in Texas, Dr. Quisenberry reported.

While in Washington Dr. Quisenberry conferred with representatives from Merck and Company and White Laboratories concerning work with the A&M poultry department on the use of hormones in broiler production and the control of coccidiosis.

Librarian to Talk To AAUP Tuesday

Paul S. Ballance, college librarian, will address the American Association of University Professors on Tuesday, February 24, at 8 p. m. in the YMCA; Norman F. Rode, electrical engineering professor, announced today.

He will speak on "The Texas A&M College Library—Its Organizations and Functions."

The meeting is open to all persons associated with the college, Rode said.

Sigma Xi Installs Officers Feb. 26

The A&M Sigma Xi Club will install new officers at the annual banquet in Sbis Hall Thursday, February 26, at 7 p. m. Carl M. Lyman, secretary-treasurer, has announced.

Officers to be installed are president, Dr. J. H. Quisenberry, president-elect, Dr. R. D. Lewis, and secretary-treasurer, Dr. Sylvia Cover.

Dr. C. C. Doak, retiring president will deliver the address of the evening. His subject will be "Biology and the Prospects for More Effective Research at A&M."

Tickets at \$1.50 each may be obtained from W. B. Davis, J. F. Fudge, W. D. Harris, E. M. Hildebrand, E. P. Humbert, C. M. Lyman, S. A. Lynch, W. M. Potts, J. H. Quisenberry, E. B. Reynolds, W. A. Varvel, and D. F. Weeks.

P. P. BUTLER, right, president of Houston's First National Bank, presents \$2,000 scholarship to L. O. TIEDT, JR. of La Grange who will enter A&M this fall. JIM TUCKET, left, Houston insurance man and breeder of Hereford cattle, will sponsor and award next year's \$2,000 scholarship.

Seven Company Interviewers To Be On Campus Next Week

Representatives from seven companies will be on the campus during the week of February 23-27 to interview senior students in regard to future employment, according to W. R. Horsley, director of the Office of Placement and Personnel Relations.

Men desiring interviews may make appointments at the Placement Office in the Administration Building.

A general meeting of all students, senior and undergraduate, will be held February 25, at 4 p. m. in Guion Hall, during which Paul Boynton, nationally known personnel man, will speak on vocational choice and the best method of finding employment.

The Elliott Company representative will interview mechanical and electrical engineers for sales engineering February 23. A meeting for these men will be conducted at 9 a. m. on that day in the YMCA Assembly Room.

Majors in mechanical, civil and management engineering, industrial education, business and accounting, and economics will be interviewed February 23 by a representative from the Employers Mutual Liability Insurance Company for positions as underwriters, auditors, sales, fire and safety engineers, and claim adjusters.

Men majoring in petroleum, mechanical or chemical engineering, who are interested in foreign service will be interviewed February 25 by a member of the personnel department of Socony-Vacuum Oil Company.

Magnolia Petroleum Company representatives will talk with men interested in refinery work who are majoring in chemistry and mechanical or chemical engineering. These men will meet with the personnel man from that firm on Wednesday, February 25.

Men majoring in mechanical and electrical engineering interested in taking a graduate training course being offered by Allis Chambers

Manufacturing Company will meet at 4 p. m. in the YMCA chapel on February 24. A film dealing with this type of work will be shown. Interviews will be conducted February 25.

Thursday, February 26, the personnel man from the Layne-Texas Company will speak to geologists and men majoring in civil, mechanical and petroleum engineering for sales and engineering work.

Friday, February 27, a representative from International Business Machines Corporation will interview mechanical and electrical engineers, and business and accounting majors for IBM customer engineering and accounting machine sales.

Horsley urges all men desiring appointments to make them at the Placement Office.

'Cowtown' Club To Meet Monday Nite

A meeting of the Fort Worth A&M Club will be held Monday, February 23, in the Science Hall at 7:15 p. m., according to W. L. Evans, publicity chairman.

Plans are being made to discuss election of a new social chairman and treasurer, setting a date for Longhorn pictures, arranging a date for the Easter holiday dance, and selecting groups to make talks at all Fort Worth high schools about A&M.

Evans requests all members to be present.

Doak Walker, Karloff, or Joe Louis? . . .

how he knows, who the "Walking Man" is.

By HARVEY J. CHELF

Ralph Edwards' current guess who game of identifying the "Walking Man" is turning the campus into a teeming, seething mass of speculation. In fact, College Station might well be renamed the Valley of Indecision, inhabited by people who continue to eat, sleep, and attend class, but who talk and think of nothing else.

When the contest began, most Aggies were snugly aloof to the entire proceedings, for they had other, more important things to occupy their thoughts—and besides they had no phone on which to be called.

GIVE UP PSYCHOLOGY AND FIGHT COMMUNISM, REUTHER

WALTER P. REUTHER, PRESIDENT OF THE CIO UNITED AUTOMOBILE WORKERS, SAYS LIBERALS AND PROGRESSIVES SHOULD DISCARD THEIR "UNITED-FRONT PSYCHOLOGY" TO FIGHT COMMUNISM.

The liberal, says Reuther in today's issue of Collier's magazine should ally neither with reactionaries to fight Communism nor with Communists to fight for progressive legislation.

Quoting the Grecian thinker Socrates' famous expression, "Know Thyself," Rev. Hardin said that it is simple to know the other person and even to admit our own shortcomings to our friends, but to admit these things to ourselves is generally difficult. Such minor things as our personal I.Q., our head shape, or hair color will affect our lives.

Without knowing and admitting these things, Rev. Hardin continued, we will be like the statue of the discus thrower, poised and physically attractive, but never acting or doing any good for humanity.

Today's address marked the end of the formal Guion Hall services, although services will continue in some of the local churches through Sunday. All pastors contacted expressed satisfaction with the manner in which the entire week was handled and with the turn-out of the student body.

Dr. Forrest Freezer will continue holding services at the College Station Baptist Church through Sunday morning. He has set aside tonight as family night with special emphasis on the presence of the entire family. Saturday night services will be followed by a fellowship hour. Time for both services is 7:15 p. m.

Reverend R. L. Brown, church pastor, will hold the regular services Sunday night.

The First Christian Church will hold a recreation and social function tonight as the conclusion of their religious program. The social will be held in the home of Dean C. N. Shepardson, Rev. S. Allen Watson, of the Bryan First Christian Church, has been conducting the service.

The Hill Foundation has concluded its special services and regular services will be resumed.

The Catholic Church will conclude services tonight with Rev. Edward Matocha offering "The Way of the Cross." Their next services will be held at the regular times.

The Lutheran Church's services end tonight with a social in the Cabinet Room of the YMCA.

Reverend Hardin delivers his last sermon tonight at the A&M Methodist Church. Sunday night the Singing Cadets will hold an hour song service for the church.

Bishop John E. Hines will be at the St. Thomas Chapel at 11 a. m. for confirmation services. Reverend Grin Helvey will resume regular services Sunday morning.

Dr. G. C. Brewer will speak on the theme, "God is, God's love, and God's purpose," in his final speech tonight at the Church of Christ. Services at 7:15.

Harry B. MacRae, GSB of Dallas will speak tonight at 8 p. m. in the YMCA chapel on the subject "Christian Science: The Authority of Its Healing Mission."

MacRae will be introduced by Franz Springer, president of the student Christian Science Organization, which is sponsoring the address.

MacRae has lectured in many of the major cities of the United States. He was in the Air Corps during World War I and has been a practitioner of Christian Science in Dallas for many years.

The Christian Science Organization of College Station consisting of about 50 members, holds regular meetings on Sundays in the Assembly Room of the YMCA at 11 a. m.

The bringing of Mr. MacRae to the campus represents quite a triumph for the group which has been in existence for 9 years without achieving general recognition until this year.

Philip Goode of the business and accounting department, and faculty sponsor of the Christian Science Organization, said all students and faculty members are invited to attend the lecture.

WALTER P. REUTHER, PRESIDENT OF THE CIO UNITED AUTOMOBILE WORKERS, SAYS LIBERALS AND PROGRESSIVES SHOULD DISCARD THEIR "UNITED-FRONT PSYCHOLOGY" TO FIGHT COMMUNISM.

The liberal, says Reuther in today's issue of Collier's magazine should ally neither with reactionaries to fight Communism nor with Communists to fight for progressive legislation.
