

TV Ban Defied By Pennsylvani

Philadelphia, June 7—(AP)—The University of Pennsylvania defied the National Collegiate Athletic Association ban on televising of college football games. The possibility of a wide open break in college ranks appeared imminent.

Theoretically, such major opponents of Pennsylvania as Army, Navy, Princeton, California, Wisconsin and Cornell would be required to cancel their football games to abide by NCAA rules.

Pennsylvania made known its position in a telegram from Francis Murray, director of athletics, to Dr. Hugh C. Willett of Southern California, president of the NCAA, which urged the calling of a special meeting to reconsider the problem.

Pennsylvania Will Cooperate

"The University of Pennsylvania will cooperate in studying and reporting to the NCAA on the effects of television, but it will not combine in a ban on television and will carry on as an obligation to its alumni friends, and the public its 11-year record of television, dividing the revenues equally with the other universities and colleges with which it plays," said the telegram.

Under the television program

adopted as an experiment by the NCAA executive committee, all individual televising of college games would be stopped.

Instead one big national game—or a series of important regional games—would be televised each Saturday, with certain areas "black-out" to study the effects on attendance.

Topic of Discussion

Television has been a major topic of discussion in college athletic circles ever since the 1950 season showed a general decline in attendance in areas where there was widespread televising of football, in contrast to increases in areas where there was little or no television.

Tom Hamilton, chairman of NCAA television committee, said Penn is setting itself apart and taking advantage of the artificial vacuum caused by willingness of other schools to pass up financial gain this year.

ASA Bushnell, head of the Eastern College Athletic Conference, said this group had agreed to abide by the NCAA television program.

Chandler Turns In His Resignation

New York, June 7—(AP)—Albert B. (Happy) Chandler said last night he has turned in his resignation as baseball commissioner contingent on the club owners' acceptance of a self-provised severance contract for his protection.

Chandler said no date was specified for his resignation.

"I left the space blank," he said. "However, if we come to terms, my resignation will be something not too far off. I will fill in the date if, and when they sign it."

He indicated strongly he had another position in mind and would be out of baseball within two or three weeks, or just before the all-star game July 10. He did not say what the new position was.

The commission was confident the severance pact, which would indemnify him against financial responsibility for any damages assessed against organized baseball during the remaining year his contract has to run, will be approved.

Trans-Miss Medalist Eliminated

Dallas, June 7—(AP)—Favorites came through in the opening round of the Trans-Mississippi Golf Tournament yesterday but the medalist, Don January of Dallas, was ushered out by a fellow collegian, Don Addington of Dallas, 2 and 1.

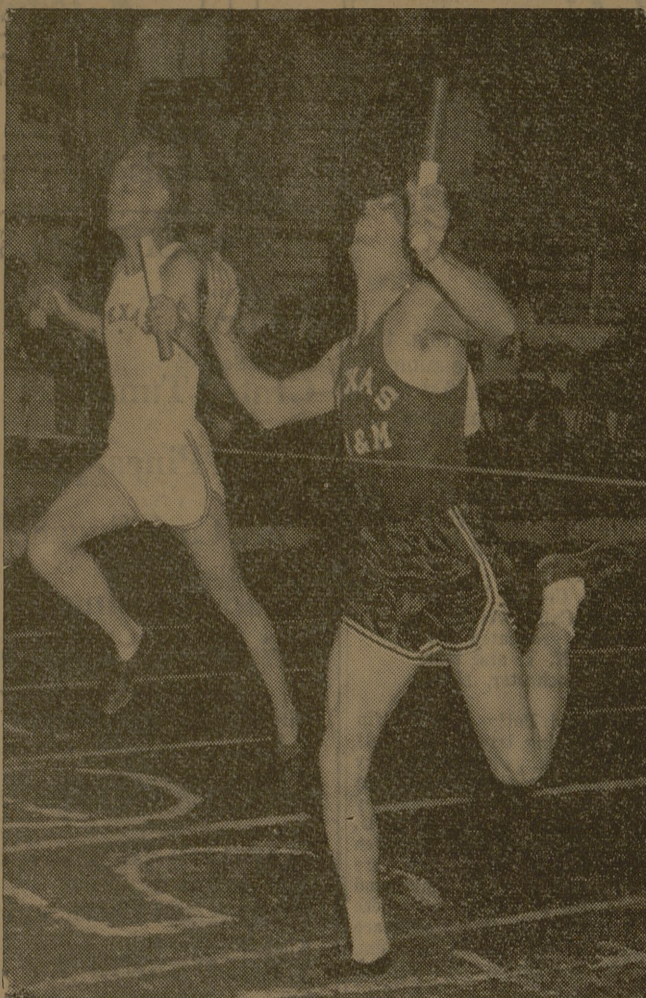

Also there were some upsets, the chief one being the defeat of Jack Vickers of Wichita, Kans. last year's runner-up, by Drew Liddell of Shreveport, 3 and 2.

Veteran Jack Munger of Dallas was beaten in a 20-hole struggle by Walter Benson of Austin.

Top-rated men of the tournament are Dale Morey of Dallas, southern champion, and Billy Maxwell, the red-head from North Texas State College who recently spread-eagled the field in the southern collegiate.

Morey was pushed to twenty holes before he could beat Ed Hopkins, Jr., of Corsicana, former University of Texas star. Maxwell took out Stewart Carrell of Dallas 3 and 1.

Off to Santone

Bill Stalter beats an unidentified Texas University 440-relay team member in one of A&M's undefeated meets this Spring. Stalter will be one of the 23 Aggies competing at the AAU track meet at San Antonio tomorrow. The Aggies will be favored in most of the events as Darrow Hooper and Walter "Buddy" Davis, along with most of the regular varsity and freshman track team will compete in the meet.

Three CS Net Stars Advance At Austin

Fred Anderson, Bobby Jackson, and Tommy Terrell, all of College Station, entered the third round of the Austin Junior Tennis Center Tournament yesterday with wins over their first round opponents.

The tourney which is being held in Austin and will continue through tomorrow boasts entries from around this area and Austin.

In the junior singles play, Anderson had advanced by downing his Taylor opponent, 6-1 and 6-0, and Jackson advanced on a bye.

Anderson and Terrell both got through the second round safely defeating their Austin High School opponents.

Billy Blakely, another College Station entry who last year was senior district and regional champion, was defeated in the first round by Arizona's third ranking player, John Vanheim, 7-5, 6-2.

Travis Englebrecht, also from College Station, is entered in the tournament. Englebrecht, together with Anderson, Jackson and Blakely, last summer formed the College Station tennis team which won matches with Conroe, Bryan, Rosenberg, Temple, and Austin Junior High.

Doubles play begins today. Winners of the tournament will be qualified to represent this district in the National Boys Championship.

Locke Favored As 16 Pros Tee Off in Tourney

New Rochelle, N. Y., June 7—(AP)—Sixteen of the world's leading golf pros, including the great Bobby Locke of South Africa, sharpened up their shots in preparation for the annual 90-hole Palm Beach round robin tournament which began today.

Locke, the British open champion, has won the Palm Beach twice and finished second in three tries.

He did not come over last year and Lloyd Mangrum, the man with the mustache, won first prize with a score of "plus 37." Mangrum and Locke are playing together in today's featured foursome along with Chandler Harper, the P. G. A. champion, and Roberto De Vicenzo, champion of the Argentine.

The second foursome comprises Jim Ferrier, Jack Burk Jr., Henry Ransom and Cary Middlecott; the third, Johnny Palmer, Ed (Porky) Oliver, Clayton Heafner and Fred Haas Jr.; and the fourth, Chick Harbert, Jimmy Demaret, Herman Barron and Al Brosch. Claude Harmon is standing by as a spare in case one of the original 16 has to drop out for any reason.

The foursomes are rescheduled for each succeeding round so that, in the end, each of 16 has played against each of his 15 opponents—three to the round. It is entirely stroke, or medal, play with each competitor matching his 18-hole score against his three rivals in each round.

Building Permits Less Last Month

Fewer building permits were issued in College Station this May than were issued last year during the same period. Ran Boswell, assistant city secretary said.

Building permits last month totaled \$41,510 for the seven permits granted, whereas during the month of May last year permits totaled \$59,65 for 16 permits.

During May there were four one-family permits granted and three repair permits were issued. Last May, six one-family permits, three commercial permits and seven repair permits granted.

Chicago's Pitchers Get Last Laugh On Rest of League

By JACK HAND AP Sports Writer

Lou Kretlow, Harry Dorish, Randy Gumpert and Kenny Holcombe—Chicago's waiver waifs—are making faces red all around the American League.

Kretlow, who is he? That probably was the man-in-the-street reaction to yesterday's story on the blazing White Sox. Still a club—the Detroit Tigers—once thought enough of Lou to pay him a \$35,000 bonus to sign off the Enid, Okla. Army Air Force team.

You could have had Kretlow for as low as \$10,000 a year ago. In fact, two clubs did have him for just that. First the St. Louis Browns and then the White Sox. He hadn't won a game since July 7, 1949. Things were so rough Lou considered chucking it all for a career as a pro golfer.

Kretlow's Record

Kretlow's 1950 record of 0-2 hardly stamped him as a man who would boost the White Sox' league lead to 4½ games. But Manager Paul Richards seems to have a way with pitchers.

After yesterday's neat four-hitter against Washington for a 4-2 win, both the Tigers and Browns would be glad to welcome him back.

Dorish, efficient reliever in nine games when Chicago pitchers needed help, made the rounds before he hit Comiskey Park. He's been bouncing up and down from minors to majors with Boston, St. Louis and Chicago since 1947.

Gumpert Unbeaten

Then there's Gumpert—Unbeaten at 4-0. The Athletics had him first—way back in 1936-37-38. They let him get away to the Yankee Club. New York found Randy useful in 1946 and 1947. But in July 1948 off he went to the White Sox—at the waiver price.

Holcombe didn't stick long

enough for waivers with most of the clubs. But at various times, between trips to the minors, he belonged to the Yankees, Cincinnati and White Sox.

With a staggering 19-out-of-21 pace, the Sox are gradually pulling away from the pack while the Yanks and Red Sox fizzle. They handed Connie Marrero his second loss behind Kretlow's strong pitching. Lou moved down the last 10 men in order to close out his first complete game. He drove in the winning run in a two-run fourth.

Rizzuto's Error Hurts

A fumble by usually dependable Phil Rizzuto cost the Yankees a 5-4 loss to the lowly St. Louis Browns. Behind 4-2 going to the ninth, the Browns tied the score on two triples and a single. Then with men on first and second Bob Young grounded to second baseman Billy Martin who flipped the ball to Rizzuto. But Rizzuto dropped the ball when Jim Delsing ran into him, Johnny Bero scoring from second.

Detroit 6, Boston 4

Detroit lowered the boom on Boston, 6-4, for the Red Sox's fifth straight loss. George Kell's

Brownies Need 3 Men Like Garver

St. Louis, June 7—(AP)—If Ned Garver were triplets the Browns would be in the American League's first division today—maybe in first place.

Of the 14 games won by the Browns this season, Ned has eight victories. Of the 32 losses, Ned went down three times.

There is only one Garver so the Browns still wallow at the bottom of the pit.

Ned passes off his remarkable record modestly, giving his teammates most of the credit.

Braves 5, Pirates 2

Warren Spahn snapped Boston's five-game losing streak with a five-hitter against Pittsburgh, 5-2. Ralph Kiner hit his 13th homer for the Pirates.

Phillies 9, Cubs 1

The Phillies cut loose on Bob Schultz, Cal McLish and Johnny Schmitz with 18 hits to smother Chicago, 9-1. Robin Roberts allowed only three hits—all to catcher Smokey Burgess.
