

Fish Record At Stake Against Wogs Tonight

By GUS BECKER
Battalion Sports Writer

The A&M Fish football team will be trying to keep a perfect record intact tonight at 7:30 on Kyle Field, when they meet the once beaten Wogs from TCU.

The Fish sport a two won and none lost record so far this season. They have scored a total of 68 points while their opponents have only scored 33 points.

TCU Freshmen on the other hand have allowed their opponents 21 points while scoring only 13 points.

Coach Walter Roach of TCU is bringing a squad of 36 men down for the contest. Although this is a small team in number compared to Coach "Klepto" Holmes' Aggie Fish team of 62 men, the Wogs are one of the heaviest freshman teams the Fish will have to face.

Big Boys

Some of the big boys on the Wog lineup are Claude Roach 248, tackle, Fort Worth; Billy Joe Stephenson 238, tackle, Fort Worth; Dick Lasswell, 227, tackle, Big Spring; Roby Irwin 218, tackle, Little Rock, Arkansas; Norman Jett, 217, tackle, Seagoville.

Rex Lindley, 230, tackle, Houston; Donald Feague, 230, tackle, Dallas; W. C. O'Neal, guard, Corpus Christi; Dan Morgan, 200, guard, Jackson, Mississippi; Bill Yung, 210, guard, Ranger, Texas; and Bob Miller, 210, guard, Fort Worth.

Roach and Stephenson were stars on last year's Arlington Heights High team of Fort Worth.

The highest starting lineman is at right guard where cat-quick Roland MacIn, 180 pounder from Fort Worth's Carter-Riverside has won the starting nod.

Leon Moore a 210 pound lad from Slaton has drawn the starting assignment at left guard. In the pivot slot is Dale Brakehill of Abilene weighing 190 pounds.

Wog Ends

Ends on the Wog starting lineup are Weldon Dacus of Brady, leading pass receiver for the TCU freshmen, who also scored one of the Wogs two touchdowns, and John Nickens of Sikeston, Missouri, both of whom tip the scales at 295 pounds.

Ronald Clinkscale, All-State back from Fort Worth, will direct the

Wog attack from the tailback slot. E. Mack Watson from Temple will run from the right halfback slot and Waylon Buchanan from Naples will run from the left halfback slot. At fullback will be either Jimmy Rodgers of San Juan or Gene Garner of Colorado City.

In the place-kicking department, Jack Graff of Mercedes, will be the lad to do the booting. Graf is the leading scorer of the Wog team having scored a touchdown and kicked the point.

Aggie Freshmen

The Aggie Freshmen cannot be outdone in aggressiveness and spirit. The Fish line is no small thing itself.

A constant menace to any pass defense, Miller will probably start the game against the TCU Frogs Saturday afternoon. This 201 pound sophomore offered the first sign of his capabilities by making the second touchdown for the Aggies in their opener against UCLA.

Nealon Speaks At QB Club Meeting

"In a way Texas A&M has an advantage in being remotely located," stated Clark Nealon, sports editor of the Houston Post, to the QB Club at their regular meeting last night.

Nealon explained that A&M by not being located near a large city, is not likely to attract gamblers and bribers.

"Some may call me prejudiced, but I honestly believe that the Southwestern conference is superior to all other conferences in the nation, both in playing material and coaches." Nealon mentioned as his reasons for this opinion are: the potential football players generally come directly to the Southwestern colleges and not via the prep school route; and at the prep schools, it is easy for the students to get warped ideas about their studies and football in general.

When asked about the TCU game, Nealon picked A&M to win 21-13. Movies of last week's Trinity-A&M clash were viewed at the meeting and Ray Graves gave a humorous commentary on the film as it was unreel.

For winning first in the weekly QB contest, Theodore Pfimmer was presented two tickets to the TCU-A&M game and J. D. Hinton received two cartons of Chesterfields for second.

Next week's speaker will be Jack Dillard, secretary of the Baylor Ex-Student Association.

TCU Works Behind Closed Field Gates

Coach Dutch Meyer's Frogs worked out behind closed gates yesterday in preparation for their coming conference clash with the unbeaten Aggies.

The Frogs continued to concentrate largely on defense. Meyer still has the problem of stopping up his ragged defensive wall that allowed 1950 opponents more than 250 yards per game.

Bill Ballard, sophomore back from Wylie, will start as defensive right halfback Saturday when Texas A&M plays Texas Christian in Fort Worth.

Coach Ray George said Ballard will replace Augie Saxe who broke his arm in the Trinity game Saturday.

Most of this afternoon was spent in setting up defenses against TCU's wing and spread formations. Emphasis was placed on fundamentals as linemen worked on offense.

The team will also operate from two positions. One being the nationally famous "Meyer Spread," the other being a modified double-wing.

The Horned Frogs will entertain the Aggies with a large team, with a line averaging 200 pounds and the backs around 180.

This Conference clash, the first for the Aggies is expected to be a rough and tumble classic and one of the top games in the south.
