**WHEN I WAS A GIRL...**  
When I was a girl they used to say that bread was the staff of life. It's an expression that you still hear, of course, but not so much as you once did.  
True, there was something tantalizing and wonderful about the smell of home-baked bread wafting in from the kitchen. And how the men folk loved it, after a hard day at work in the fields.  
But as I grew older, I began to realize that neither bread nor anything else you can see, touch, and smell is the staff of life. Sound funny? Well, think it over, and you'll see what I mean. Our greatest strength comes from the things that aren't tangible. The spiritual things, I guess you'd call them.  
My own staff of life has been the Church. It has supported me when I have needed it the most. When my children came along, I taught them to believe that the Church was their real staff of life. In this belief they have found hope, solace, and comfort, just as I have.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
