ing on a bachelor of science degree In addition, a \$500 scholarship in meteorology. The latter gives projects of the department, said Leipper.

Qualified graduates in physics chemistry, geology, meteorology, biology and engineering may apply for the fellowships and research assistantships.

Fellowships include the United Gas fellowship in engineering oceanography, \$3,000; and the Dow fellowship in chemical oceanography, \$2,000. The graduate assistantships provide as much as \$2,400 each.

Fellows and assistants take standard curricula leading to graduate degrees in oceanography or meteorology. They also take additional graduate work in basic science or in engineering. They will work in the department's program of research sponsored by various government agencies and by

Applications may be submitted to the college anytime before March 30, and awards will be an nounced in April.

Services Held For Mrs. Jeffries

Funeral services were held yesterday in Monett, Mo., for Mrs. Ida Jeffries, 77, grandmother of Capt Webb Jeffries, A&M air science instructor.

Mrs. Jeffries died Thursday in a local hospital after a short illness. Born in Monett, she had come to College Station last September to live with her grandson.

Services were held in the First Presbyterian church in Monett and burial was in Mount Pleasant cemetery there.

Besides her grandson, she is survived by her husband, Charles B. Jeffries of College Station and a graunddaughter, Mrs. Marie Abbot of Lawton, Okla.

Tigers Meet Katy In Doubleheader

A&M Consolidated, winner of .10 of its last 11 games, hosts Katy tonight at 8 p.m. in Tiger gym. The Tigers are tied with Cypress-Fairbanks for the district 25-A lead with a 7-1 mark.

The two B teams play at 7. Friday night, Norman Floeck tallied 20 points to lead Consolidated to a 57-27 win over Waller, the Tigers hitting 43 per cent of their shots. The B team lost 39-36. Saturday night, the Kittens bow-

LUCKY DROODLES! WE'VE GOT 'EM!

WHAT'S THIS? For solution see paragraph below.

IT'S EASY TO SEE that the Droodle above is titled: Tired anthropologist relaxing with better-tasting Lucky

behind freshly dug-up fossil. No bones about it, Luckies

taste better to all sorts of people. College smokers,

for instance, prefer Luckies to all other brands, ac-

cording to the latest, greatest coast-to-coastest college

survey. Again, the No. 1 reason for Luckies' wide lead:

Luckies taste better. They taste better, first of all, because Lucky Strike means

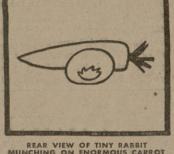

fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"-

the famous Lucky Strike process—tones

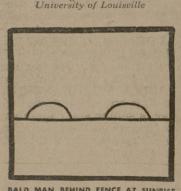

up Luckies' light, good-tasting tobacco

to make it taste even better...cleaner, fresher, smoother. So, enjoy the better-

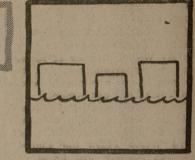

tasting cigarette . . . Lucky Strike.
