IS IT LATER THAN YOU THINK ?

Right now your heart is ticking off the seconds of a lifetime!
Without your willing it to do so, it is pumping life through your veins at an approximate rate of 72 beats a minute. In one year it will have pulsed close to 38 million times—if all goes well.
But suppose your heart suddenly stops tomorrow—or next week—or, at the latest, next month. What then?
Someone, somehow, will help your family pick up the pieces and resume a life of sorts. But only you can guide the destination of your soul.
Let your pastor and your church show you the Way. Look to the future!
It may be later than you think.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
