COLLEGE STATION, TEXAS, THURSDAY, MARCH 12, 1959

Price Five Cents

Ags Give 400 Pints of Blood
For Lukemia Research'Largest One-Day
Drive' for Center

Texas Aggies gave 400 pints of blood yesterday as approximately 573 Aggies reported for donations to aid victims of leukemia in their fight for life.

Time was the crucial factor which hindered the expected goal of 450 pints set by the College Station Lions Club and the Student Senate before the blood drive began.

Blood received from the Aggies yesterday was the largest one-day collection ever netted by the bloodmobile away from the Dallas center, according to Dr. D. E. Soules, technical director of the blood bank.

Of the 650 Aggies who signed up to give blood last week, 620 cards were sent out. No addresses were available for the remaining 30 prospective donors.

Reds Promise
Open Road If
Berlin Free

BERLIN (AP) — The Soviet Union and Communist East Germany promised Wednesday night they would keep the road open between West Berlin and the outside world if West Berlin becomes a free city.

But they indicated the price they would demand for such guarantees would be Western diplomatic recognition of the satellite East German regime. That recognition has long been sought by the Communists and refused by the West.

The latest word on the Berlin issue came in a communique issued by the East German government as Soviet Premier Nikita Khrushchev ended an eight-day visit to East Germany.

The communique also again urged a quick summoning of a summit conference to ease international tension. It said a summit meeting should be convened in addition to a foreign ministers' parley.

In a note to the Western powers March 2, the Soviet Union plumped for a summit conference but said at the same time Moscow would be agreeable to a meeting of foreign ministers if it was not possible to set up a summit session.

Wednesday's communique called for both.

In Washington, a spokesman said the State Department had no comment on the communique.

The communique left out any reference to the Soviet threat to give control of the Allied lifelines to the East Germans on or about May 27.

"During the one-day blood drive, 181 Aggies were rejected because of cold, shots and blood pressure," said Soules.

With 16 beds available, it was estimated that at the peak, there were 60 men an hour being put through, requiring approximately 15 minutes per man.

The canteen which served refreshments to the donors, was sponsored by the Lions Club and under the supervision of the Gray Ladies of the Bryan-College Station area.

Mrs. Ide P. Trotter, one of the Gray Ladies, said "The boys have been in wonderful spirits and if they can give blood, we can spare a half a day."

"I just feel that the kids with leukemia need it worse than I do" was the comment from freshman Dan Griffith which was the typical attitude in G. Rollie White Coliseum yesterday.

In addition to the organizations which volunteered their help, there were many unselfish individuals who also assisted. Mrs. J. H. Denton, whose husband teaches in the School of Veterinary Medicine and Mrs. L. C. Grumble were two of the volunteer typists. They assisted in the preparation room. In addition, several registered nurses of the Bryan-College Station area also gave a hand.

Mrs. Charles Richardson, whose husband is with the Department of Biology department here at A&M, was in charge of the registration for the second straight year.

"It is a very worthy cause," she stated. "Nearly all of the boys who registered showed up and quite a few came in who had not originally registered. The boys were very helpful when they were unable to come at their appointed time. Most of them rescheduled for a later time. Their spirit and attitude was wonderful."

Primary Set April 8

Class Election Filings Open
Monday at Student ActivitiesBy KEN COPPAGE
Battalion Staff Writer

Filings for class offices will begin Monday morning in the Office of Student Activities. Class primary elections will be held April 8, with runoffs scheduled for April 15.

The Class of '60 will elect a president, vice president, secretary-social secretary, historian, student entertainment manager and two yell leaders.

The Class of '61 will elect a president, vice president, secretary-treasurer, social secretary and two yell leaders.

The Class of '62 will elect a president, vice president, secretary-treasurer and social secretary.

Qualifications for class officers are a minimum grade point ratio of 1.0 at the time of the election and also for the preceding semester. A candidate must be academically classified with his class

at the time of the election and for the year for which he is elected.

Student Entertainment Manager qualifications are a minimum grade point ratio of 1.5, junior classification and each candidate must have the consent of the manager of recreation and entertainment in the Department of Student Activities. He must have had at least one year's experience on the Student Entertainment Staff (Town Hall).

Candidates for senior yell leaders must have a minimum grade point ratio of 1.25 and be classified with their respective class. The one receiving the largest number of votes will be designated as head yell leader. The two elected by the sophomore class must become juniors scholastically with their class. All candidates for yell leader must have the approval of the Yell Leader Committee of the Department of Student Activities.

Kilgore Rangerettes
... three of the 29 for ITS '59

ITS Opens Tomorrow Night

OSU Girl Replaces
For Rice Singer

Carol Beasley, female vocalist from Oklahoma State University, will replace Beverly Montgomery of Rice tomorrow night in the eighth annual Intercollegiate Talent Show.

Miss Beasley won honorable mention in the 1958 Freshman Talent Show at O. S. U. last fall. She sings tunes from musicals and popular music.

The Kilgore Junior College Rangerettes will open and close the show in G. Rollie White Coliseum

beginning at 6.30 tomorrow night.

Joel A. Spivak of Houston's Radio Station KILT will serve as master of ceremonies for the show that will present the top 10 variety acts selected from more than 130 acts auditioned at 15 colleges and universities in Texas, Oklahoma, Arkansas, Louisiana and Mississippi.

Tickets are on sale through group and battalion commanders and at a special booth placed between the Memorial Student Center Fountain Room and Gift Shop. Advanced sale general admission ducats are 75 cents each.

Performers for the show will begin arriving on the campus in the morning. Rehearsals will be held tomorrow afternoon. The rehearsals will not be open to the public.

License Plates

On Sale Monday

Automobile license plates will be on sale at the Memorial Student Center beginning Monday, according to Mrs. Ann Keel, Memorial Student Center Social Director.

This courtesy is being extended by Raymond Buchanan, tax assessor and collector of Brazos County, she said.

All residents of this area and college students may obtain their car license plates at the MSC and save themselves a trip to Bryan, said Mrs. Keel.

Certificates of title must be presented before license plates can be issued.

Buchanan plans to have personnel on duty from 8 a. m. until 11 a. m. and from 12 noon until 4:30 p. m. on week days. The booth will be open from 8 until 12 noon on Saturdays.

One Week Drive
Planned Locally
To "Spruce Up"

Texas Beautification Week, beginning March 22, has been chosen as the time to improve the appearance of the section of Highway 6 opposite the A&M golf course, according to Mrs. Marion Pugh, chairman of the College Station Improvement Committee.

On Monday, March 23, 80 crape myrtle bushes will be planted in this area.

"The committee would be grateful if some public spirited friends would plan to help with the work," said Mrs. Pugh. She also said a "Clan Up Drive" reminder was stamped on the March utility bills.

Schedule of trash collections for College Station during the week of March 22 is as follows:

Southside—Monday, March 23
East of Highway 6—Tuesday, March 24

Northside—Wednesday, March 25

The Improvement Committee requested that College Station citizens place the trash in front of their houses in advance of the day of collection for their respective areas. The committee stressed that people with trash to be hauled away should not wait until the collection day to put their trash out. The trucks will work in each area until the area is covered, but will not return to an area once it has been covered.

"This is an opportunity to clean up and spruce up the premises. It is too much to ask that each member of our community do his share in his own home and yard? The appearance of College Station can be improved by everyone's cooperation," said Mrs. Pugh.

Rue Pinalle
To Sponsor
All-Night Hop

The Memorial Student Center Dance Committee will have just the thing Friday night for people who want something unusual to do.

Beginning immediately after the Intercollegiate Talent Show and lasting until everyone goes home (all night if necessary), Cafe Rue Pinalle will present dancing, refreshments and entertainment for students and guests.

The Aggie version of a French night club will take place in the newly-excavated lower level of the MSC.

Entertainment will be selected from top acts of ITS, and will include Bob Flowers of Arkansas, Carol Beasley of Oklahoma State, Joyce Tallman of Texas Tech and the Hi-Phi's of Southern Methodist University. Curt Schwartz and Larry Bledsoe, University of Oklahoma, will be masters of ceremonies. The Jokers from Louisiana State University will furnish dancing music.

Tickets at \$1.50 per couple of 75 cents per person will be on sale at the dance entrance by the barbershop in the MSC.

MSC Committees

To Meet Monday

A joint Memorial Student Center Committee meeting will be held on Monday, March 16, in the lower level of the MSC to announce the officers for the new year.

Ronald Buford, president of the MSC Council and Directorate, urges all chairmen to have their members and prospective members present.
