

Aggies Take Third Straight; Pound Texas Lutheran, 13-4

The Texas Aggies posted their third successive victory of the season with a resounding 13-4 thumping of the Texas Lutheran Bulldogs Saturday in Seguin.

Ralph Plumlee, agile Farmer shortstop, paced the souped up Ag attack with four hits in six trips, including two doubles, two singles and three runs batted in.

The Cadets drew first blood in the third frame but the margin was short lived. The Bulldogs came roaring back in the bottom of the fourth for four runs and a 4-2 lead.

In the final three stanzas, the Aggies walked away with the contest, pounding home one in the seventh, three in the eighth and five big ones in the ninth.

Three moundmen saw duty for the Farmers with Wayne Schaper, who relieved Percy Sanderson in the third and toiled four and one-third innings, earning the victory.

The Galveston senior gave up no runs on one hit, walked one and struck out two during his tenure on the hill.

Sanderson, hurling the first three and two-thirds innings, gave up four hits and four runs, walked

two and fanned three.

Husky All-Southwest Conference Gary Herrington pounded a homer and Windel Reed pisted another, a three-run blast.

The Cadets tangle with the University of Houston Cougars tomorrow at 3 p. m. in Kyle Field. The Aggies bounced the Cougars 7-5 in a match earlier this season.

Frosh Baseball Squad Tries Ramblers Today

The Aggie freshman baseball team, coached by Shelby Metcalf, are meeting the Allen Academy Ramblers today in Legion Park in their first baseball game of the season. The game was scheduled for 3:30.

Allen enters the contest with a 2-0 season mark while the Farmers have played two scrimmage games, winning both of them against the Cadet varsity and A&M Consolidated.

Expected to start on the mound for the Aggies is Bill Vincent while Jesse McGuire, who starts at shortstop, will be on hand to lend assistance.

Vincent's battery mate is Fred Praetorius, a freshman footballer last fall, while Jay Bowman will hold down the first base position. At second is John Hudson and McGuire is at short.

Charging bunts from third will be Felix Burton while Jim Childers, S. J. Halpin and A. L. French fill out the outfield.

Opposing Vincent on the mound for the Ramblers are three pitchers, each expected to share equal throwing opportunities. Bill Cartwright should start with John Saunders and Thurman Parrish coming in for relief work after the second or third innings.

The rest of the starters will be Macky McKinney, catcher; David Mooney, first baseman; Weldon Beard or Roger Canales, second baseman; Joe Birt, third; Sam Bowman, short stop; Chester Jones, left field; Lloyd Sheffield, center and Henry Batten, right.

Rambler victories have come over the Wharton Junior College Apaches and Houston's University of St. Thomas.

Batter Up!

Reserve A&M catcher Don Chase takes his practice cuts at yesterday's diamond workout. Chase will be on hand when the Farmers face the University of Houston Cougars Wednesday at Houston.

Cadets Finish Second In First South Relays

The Texas Aggies captured second place honors in the first annual South Classic Relays as the University of Houston Cougars took the championship trophy Saturday in Shreveport.

Taking victories in four events and tying for another, the Farmers amassed 46 points as the Cougars totaled 52 and the University of Arkansas rounded out the triangular field with 30.

The Cadets annexed firsts in the javelin, shotput, high hurdles, the mile and sprint relays and tied for top honors in the high jump.

Newton Lamb took the javelin with a nifty heave of 206 feet while Ernie Uribe took the 120-yard high hurdles in 15.2, Henry Bonorden won the shot with a 50-10 1/2 effort, and Bobby Thomas and Charles Merka shared the high jump crown with leaps of 5-10.

In the relays, the Cadets ripped off triumphs in both events, taking the sprint relay in 42.3 and the mile relay in 3:19.5.

Ronald Kirkpatrick, William Palmer, Harvey Cash and Charles Hajovsky formed the mile relay quartet. Bobby Clark, Uribe, Cash and Kirkpatrick made up the sprint relay group. Kirkpatrick raced to a speedy 48.8 clocking in the third lap of the mile relay to hand the Ags a comfortable margin in the race.

Other Aggies placing in the meet were the 880-yard relay team with a second place finish, Bonor-

den and Owen Hill in the discus, Hajovsky third in the 880-yard run, Richard Hickman fifth in the mile, Uribe third in the 100-yard dash, Joe Flood fourth in the broad jump and Charles Vance and Donnie Douglas second and third in the pole vault.

HIDDEN WEALTH
CHARLESTON, W. Va. (AP)—A mystery as to what happened to \$37,418 in checks made out to the State by 536 auto license applicants two years ago has been solved.

Some of the applicants complained that the checks had never cleared their banks. They were found stuffed in a cardboard box under a table in the accounting office of the license bureau.

A CAMPUS-TO-CAREER CASE HISTORY

Pete McCullough (center) discusses requirements for new telephone equipment with Traffic and Plant Managers.

Success story—with a moral to it

Robert G. "Pete" McCullough got his Bachelor of Arts degree from Columbia in June, 1953. In September, he took a job selling for a manufacturing firm. He was hurriedly trained—and, after 23,000 miles on the road, decided he wasn't fully using his capabilities.

He resigned and contacted his college Placement Office. Interviews with a host of firms followed. Pete chose the New York Telephone Company.

That was April, 1954. He spent the next 13 months training—getting basic experience as installer, repairman, frameman, staff assistant, etc. He was then appointed Service Foreman.

In January, 1957, he moved over to the business side of the company. In May, 1957, he became a supervisor. In January, 1958, he managed a business office serving 25,000 customers, with 42 people reporting to him.

In October, 1958, Pete was promoted again—to District Commercial Manager. Reporting to him now are two business office managers, nine supervisors and 54 service representatives and clerical personnel. There are 64,000 customers in the territory he heads up.

That's Pete's story—up to now. Future promotions depend on him. Opportunities are practically unlimited in the Bell Telephone Companies for Pete and many young men like him.

Moral: The most capable of men need good training and honest promotion opportunities to move ahead as they should. Shop carefully for your career. And be sure to talk to the Bell interviewer when he visits your campus.

Pete is active in civic affairs. Here, as chairman of a Boy Scout fund drive, he confers with R. A. McCaffrey, Branch Manager for the First National City Bank of New York.
