

Fish Sink Tarleton With Homers, 10-8

The Aggie Fish, with a five run outburst in the third inning and three more in the final two stanzas, took their second straight victory of the year, defeating Tarleton State, 10-8 yesterday afternoon in Kyle Field.

Eddie Van Dyke and Fred Praetorius paced the Fish attack, each pounding home runs. Van Dyke smashed his four-bagger in a lead-off effort in the big third frame and Praetorius clouted his in the fifth.

Gary Priddy, who worked 4 2/3 innings, was the winning hurler while the Plowboys' Mike Hendrix who absorbed the Cadets' five-run rally in the third, was the loser.

Tarleton, which had won two straight previous to this contest, raced off to a three-run lead in the

third inning. But the young Ags came right back with their big inning.

Again the Plowboys moved into command, tallying four in the fourth and another in the fifth to go ahead, 8-7.

In that inning the Farmers clinched the contest with a pair of runs on a walk to Van Dyke, a sacrifice by Jim Childers, a single by Jesse McQuire, sending Van Dyke in with the tying marker.

McQuire scored on a sacrifice fly by Jay Bowman and the Cadets led, 9-8.

Van Dyke, a menace to the Plowboys throughout the afternoon, was the big man in the Ags insurance frame in the eighth. The Fort Worth griddler pounded a double to right-center field and scored on an error by Tarleton shortstop Walter Rains.

Rains led the Plowboy attack with a pair of doubles in four trips, while Homer Nueman and Wayne Stone each smashed a pair of singles.

In addition to the power lent by McQuire and Praetorius, Bill Vincent garnered a pair of hits and Bowman drove in two runs.

Here It Comes!

Jerry Landrum, Fish second baseman, steps into one of Tarleton's Jerry Welch's throws in yesterday's game. Mickey Lee, Ploughboy catcher, crouches behind the plate. The Fish won, 10-8.

5th Group, Armor Pacing Corps Play

Travis Park has been shellacked by baseballs during the past week as the Corps baseball leagues are getting into the swing of things with the weather cooperating nicely.

The Army League is pretty jumbled with none of the eight teams showing any marked advantage. Over in the Air Force, however, two powers have made themselves known.

A&M Baseballers Open SWC Play In Austin Saturday

Southwest Conference baseball play opens for the Aggies Saturday when they travel to Austin to face the University of Texas Longhorns.

Coach Tom Chandler will probably start Sophomore Larry Ayres on the mound with Percy Sanderson and Joe Brooks Thompson standing by for relief duty. Ayres has posted three victories this season.

The remainder of the Cadet roster reads Gary Herrington, catcher; Dick Hickerson, first; Dink Patterson, second; Ralph Plumlee, short; Windel Reed, third; Lloyd Stone right field; Byron Barber, left and 'Stuffy' Davis, center.

The Aggies claim a 4-2 record in non-conference play, with both losses going to the Sam Houston Bulldogs. Leading slugger for the Farmers is Patterson with a .353 average. Plumlee, Hickerson and Herrington also are hitting over .300.

Three straight victories, anchored by a 15-3 thumping over the 2nd group Wednesday night, have put the 5th Group on top. Nipping at their heels is the 6th Group, which has recorded two straight victories.

The Armor battalion has won its only game so far to lead the Army loop, with the Anti-Aircraft battalion second. Its 2-0-1 record is just out of reach of the Composite nine (2-1-1) which rocked the Civilians 5-3 last night.

Pitching had been the general watchword until Wednesday night when AAA outslugged the Engineers, 7-6, and the 5th Group followed up with its pounding of the 2nd Group, behind nine hits. So, the bats are getting warm.

Behind the 5th and 6th Groups in the Air Force league are the 3rd Group (1-1-0), 4th Group (1-2-0), 2nd Group and Civilians (0-1-1), 1st Group (0-0-1) and Band (0-2-1).

In the Army, the Engineer, Service and Vet-Med battalions are tied for fourth place with 1-1-0 marks, followed by the Field Artillery and Civilians at 0-2-0.

More people drop in for Camels than any other cigarette on earth. It stands to reason: the best tobacco makes the best smoke. The Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness.

Put fads and fancy stuff in the past . . .
Have a real cigarette - have a CAMEL
