Date Set for Spring Drills

Spring football training for the 1961 Aggies is set to begin Feb. 18.

Coach Jim Myers selected the Saturday start, after which the Cadets will have 30 calendar days in which to get in 20 practices.

It is likely two teams will be selected for a final spring training game on March 18, according to Myers.

Expected to report for practice are 29 lettermen (12 juniors and 17 sophomores) plus a group of promising grid-ders up from the freshman team that won three and lost two last season.
