something about a hole and timber on the Duncan Hall drill field at Texas A&M caused rain. The 100-foot campground for the Thanksgiving football game burned on Wednesday under the direction of company D.J. (Spiller D.) after a two-day rain delay. Full leaders believe the resultant stack of logs will be the biggest ever. Despite almost three inches of rain that showed the start of construction, Core logs were stacked. The smoke still burned Wednesday. (Photo by V.L. Scott)

A&M TUNE STANDING POLICY ON VANDALISM

Texas A&M and University of Texas black students staged a reminder Tuesday that students will be suspended for committing acts of vandalism on the campus of the schools. The announcement was made by Congressman Corman keynoting the opening ceremonies of the American National Thanksgiving Day football game.

The joint statement by A&M President Dow F. Milner and UT Austin President Norrine Hackett was read This attempt in coordinating a correspondence for students to participate in a reception after the game will be suspended for committing acts of vandalism on the campus of the schools. The announcement was made by Congressman Corman keynoting the opening ceremonies of the American National Thanksgiving Day football game.

The joint statement by A&M President Dow F. Milner and UT Austin President Norrine Hackett was read.

"We do not have anything about the A&M blacks," said the dictator, "but this problem has been solved, the two presidents agreed.

weather

friday, february 27th, wind force 10 to 15 m.p.h. high 68, low 15.

saturday — partly cloudy to clear. wind 10 to 20 m.p.h. high 71, low 41.
