

Robinson leads Longhorns past Tech, 75-74

Texas jumps into tie for first in SWC; meet Aggies here Saturday

By the Associated Press
LUBBOCK — Larry Robinson scored 30 points Tuesday night to lead Texas past Texas Tech 75-74, and throw the Longhorns into a tie with the Red Raiders for first place in the Southwest Conference basketball race.

Robinson connected on 13 of 26 field goals and added four free throws to pace the Longhorns, who had only one other player, Dan Krueger, in double figures with 14 points.

The Longhorns led 40-39 at halftime and managed to maintain the lead down the backstretch as Rich Parson and Robinson hit crucial free throws in the last 1:04.

Robinson's performance offset that of Tech's William Johnson, who had 21 points and a school-record tying 21 rebounds.

Forward Grady Newton had 20

points for Texas Tech, but leading Red Raider scorer Rick Bullock sat out much of the game and scored just nine points.

Texas and Texas Tech each have 8-3 SWC records, one game ahead of Southern Methodist, which beat Baylor Tuesday night.

The Longhorns are 9-14 for the season and Tech fell to 15-8.

Hogs over TCU

FAYETTEVILLE, Ark. — The Razorbacks' starting five all hit for double figures as Arkansas rolled past Texas Christian University, 109-99, here Tuesday night.

Dean Tolson led the Razorbacks with 25 points. He also collected 18 rebounds. Of the other four starters, both Dan Pauley and Ricky Medlock had 21 points. Dennis White made 16 points and

Robert Birden netted 12.

The Razorbacks led from the outset and went to the dressing room at the break with a 14-point lead, 55-41. Arkansas continued to dominate the contest in the second half, never being seriously challenged by the Horn Frogs.

Wayne Wayman was the leading scorer and rebounder for TCU. He had 17 points and eight rebounds for the night.

Arkansas is now 4-7 in the Southwest Conference and 8-15 for the season. TCU is now 2-9 in conference and 8-14 in season play.

Arkansas faces the Baylor Bears Saturday at Fayetteville.

SMU wins again

WACO — Ira Terrell pitched in 28 points to propel Southern Methodist's Mustangs to a 78-70 vic-

tory over the Baylor Bears here Friday night for their fifth straight Southwest Conference victory.

SMU hit 63 per cent of their shots in the second half in breaking away from a 35-35 halftime tie.

Terrell hit 11 of 16 of his field goal tries and added 10 rebounds in leading the Ponies to victory. Zack Thiel contributed 15 points while John Sagehorn had 12 and Rusty Bourquein 11.

Charlie McKinney led the Baylor scoring with 17 points and pulled in 23 rebounds. Baylor played without starting guard and team captain Steve Dallas, who quit the team Tuesday morning for what was termed personal reasons.

The victory gave SMU a 7-4

record in SWC play and pulled the Mustangs one game behind co-leaders Texas Tech and Texas.

The score was tied for the last time at 50-50 with 12 minutes to play when the Ponies broke away.

Oscar Roan and Terrell broke the final tie and Sagehorn and Thiel shoved the Mustangs ahead by seven points at 63-56 with eight minutes left. Baylor never again threatened.

Golf seminars set

A special series of golf course design seminars, featuring such speakers as Jack Burke, Jr., and Ben Hogan, announced by the A&M Soil and Crop Sciences Department.

The series has been organized largely by Burke Co-sponsors are Dr. Richard L. Doble of the Soil and Crop Sciences Department and Robert F. White of the A&M Landscape Architecture Department.

Doble said Burke and Bruce Little, golf course architect, recently redesigned the A&M golf course.

A complete list of upcoming seminar speakers includes Jay Hebert on Monday; Jackson Brad-

ley, Feb. 25; Hogan, March 25; Littel, April 8; and Burke, April 22. All sessions are at 1:30 p. m. in the J. Earl Rudder Center.

Doble and White said seminar members will receive a greater knowledge of the golf course role in the community, requirements for course construction, and problems involved in management of large open spaces for recreation, conservation and beautification.

"This is one classroom where the professors benefit as much as the students," Doble said.

The seminar series began Jan. 28, with Jimmy Demaret of Houston, three-time Master's champion, who discussed golf course design and construction from the professional's viewpoint.
