Consumer check

A comparison of grocery prices

"Consumer Check" will be a bi-weekly feature of The Battalion this semester. Prices of items students are most interested in buying, such as books, drugs, auto service and banking service, will be compared. This week College Station grocery stores were polled according to specific brand names. Although some of the food stores had other brands or sizes of the product, a "not available" (N/A) will still appear on the chart if our specification was not stocked. No sale prices are included.
