David Sparkman makes a spectacular shot at the goal during a team handball workout. Team handball is a European sport that was brought to A&M by Mark Noble of the P.E. dept. The A&M club came in third in last year's national Tourn. which gives them an automatic invitation

to this year's nationals in New York. We played Baylor last past weekend, and the Aggies will host a tournament with teams from as far away as Germany expected. you're interested in more information contact Mark Noble.

Coneheads Outdistance APO

APO kept the ball moving at a rapid pace during their recent conflict with the Coneheads in Men's Independent class BC play. The Coneheads played well as a passing team, keeping a corner man open to receive well-placed court-long passes. APO had spurts of great team plays, but overall played as individuals.

The first half saw a lot of hurrying by APO who racked up 6 points by fouls. Coneheads were ahead with a score of 24. Number 28, Mark Moore scored the first points of the game and continued helping #23, Mike Knapke, #22, Greg Buchanan, and #21, Brad Wakeman add up the points. The

Coneheads had 13 fouls called against them during the half. APO had seven fouls called on them.

The second half was more of a traveling game as both teams
