ing awaits the discerning diners at the top of Rudder Tower. The view-in-round of the campus is inspirational even to the student on sco-pro. Sit back and take your time. Sip refreshing tea (no alcohol allowed on campus) as you watch the sun set on yet another day of your Spring Break.

Day three of the Spring Break Spectacular brings weight-lifting as the activity of the morning. It's a welcome release after lifting the

biscuits at breakfast! Be sure and practice a grunt that is in keeping with all the incredible hulks that strut around the room in their waist-hugging underwear. A body only a mother could love!

After weight-training, how 'bout a shopping spree at the Boutique Les Must be MSC? Here, you can find entertaining postcards for all of your friends that had to go away for Spring Break to places like Steamboat Springs or Padre Island. What a pity! You might want to

pick up a t-shirt with the score of the football game between A&M and t.u. It'd be a shame not to take advantage of the opportunity to brag.

After three exhausting days on the Tamuland campus, it's time for a break. All this excitement has been too much for just one Spring Break. Collapse in a chair to wait out the rest of the vacation and anticipate next year's activities, maybe at someplace not quite so wonderful — South Padre perhaps. ^
