25% Interest on IRA for the first month. Then a fixed rate for the balance of the 18-month term.

Wishful thinking? Not at BrazosBanc.

Come to BrazosBanc to open a fixed rate tax sheltered savings account. We'll pay you 25% interest for the first month, then set the rate for the balance of the 18 month term.

The IRA account is available to any wage earner. Deposit up to \$2,000 and take that amount off your adjusted gross income on your 1984 federal tax return.

If you already have an IRA and just need advice to "roll over" or change any of its provisions, call or come by. We're knowledgeable about the rules on rollovers and can offer you flexible, safe alternatives for investments in fixed and variable savings certificates (in some cases, a minimum balance may be required).

More people have IRAs at savings institutions than mutual funds and security companies put together. We think it's because of our insured safety and our convenient, hometown service.

Come to BrazosBanc, You'll see what we mean.
