the officers of the Association will take pleasure in giving you any information, and assistance possible. Do not hesitate to ask them questions.

An annual membership fee of five dollars entitles you to the free use of the swimming pool in the new Y. M. C. A. Building; in addition to the other membership privileges. This costs you less than two cents per day for swimming and shower baths in artesian water. You can make no better investment for your mind, body, and health. We want to have your name on the membership roll as soon as you reach the College. You will have an opportunity to purchase a membership ticket at the information bureau.

D. H. KIBER,
President Y. M. C. A.
