Student Laundry Collections.

In order to prevent any duplication in the marking of laundry bundles, and also, that the collections may be made promptly, the following suggestions should be strictly adhered to:

Write name on laundry IN FULL and, if a former student, place old laundry mark on line indicating, "mark." If a freshman or a new student, leave line for "mark" blank, or state NEW STUDENT, name hall, room number and company. Each student must list his laundry on LEFT side of laundry slip, place laundry and slip within pillow slip, laundry bag, or tie securely in sheet, being careful to place slip where same can be easily found. Failure to observe and of the above instructions subjects violater to report. After bundle is prepared, place outside room door where driver can locate same. All laundry bundles must be prepared for collection by 1 a. m. each Sunday, as collector makes only one visit to each hall. No bundles accepted at Laundry building from students. Each student allowed twenty pieces of soiled laundry. A charge of five cents for each piece over that allowance will be made.
