

THE DAILY BULLETIN

Published daily (except Mondays) by the A. and M. Print Shop for circulation among students, faculty, and campus residents.

Vol. II, College Station, Texas, Wednesday, October 4, 1916. No. 10.

No Faculty Meeting Today.

The regular meeting of the faculty for today has been postponed.

CHARLES PURYEAR,
Acting President.

Electrical Engineering Students.

All E. E. students should attend the first meeting of the A. I. E. E. at 7:30 p. m. Wednesday, October 4th. Room 301 E. E. Building. F. C. Bolton.

Delivering the Daily Bulletin.

From now on, the Daily Bulletin will be left in the company boxes instead of being delivered by carriers in the several dormitories. Captains of companies will be expected to appoint someone to deliver one copy to each room occupied by a member of his organization.

As soon as practicable, first sergeants will leave at room 113 Main Building the number of rooms occupied by members of his company in order that the correct number of copies of the Bulletin may be supplied.

LOST—Two five dollar bills. Will some honest fellow please return them to 31 Foster, and the owner will divide up.

Engineering Teachers Meeting.

Program for Engineering Teachers' Meeting, Monday, October 23:

"Should engineering students be required to do practical work during vacations."

C. S. Tatum.

J. A. Herrington.

"Frequency and Manner of Conducting Quizzes."

F. J. Skeeler.

Monday, November 27th:

"Teaching Engineering Students to Study."

O. B. Wooten.

A. E. Parmalee.

Program Committee:

J. J. Richey.

F. C. Bolton.

Notice to Heads of Departments.

The Military Department has not been able to act intelligently on the requests of cadets to be excused from duty in order to work in the various departments, due to the fact that all departments have not submitted the lists asked for by this department some time ago.

It is requested that these lists be submitted with the least practicable delay.
