Dr. Bizzell Buys One Hundred Pictorial Annuals.

One of the most acceptable and unique Christmas gifts from any one connected with the College would be one of the new "Pictorial Annuals." Dr. Bizzell says "it is the best of its kind ever put out at A. and M." The President ordered one hundred of them to use as his own personal Christmas gifts.

J. A. Darby has sold 101 of these attractive publications in Co. "A 2nd" alone, which is an average of one and a half per man. That's what they think of it!

Don't you think of buying your Christmas gifts until you have seen a copy of this annual. Some one will be around to see you shortly.
