Would Give \$100.00 for Collection of College Pictures.

An A. and M. alumnus, who is now drawing a good salary, remarked the other day that he would be willing to give a hundred dollars for a good collection of pictures representative of college life when he was in school. There you are! You'll be in the same fix some day, perhaps.

But right soon you can get an ideal collection of college views and snapshots of student life in "The Pictorial Annual." Don't get impatient if you haven't seen the samples. They'll be brought around for your personal inspection within the next few days. Remember its an ideal Christmas gift.

M. B. Gibson, Editor.
