## Photogravure and Decorative Art.

Exhibiting a degree of decorative art unsurpassed by anything of its kind ever published here, the "Pictorial Annual" will meet the requirements of the most fastidious College people. The leather covering is elegant, the design unique; the pictures are handled through the latest perfected process of photogravure, while the lighter shades of border used in "working in" the 1917 calendar harmonize in a manner that produces a most pleasing effect.

If you contemplate sending a dozen or so of inexpensive gifts this Christmas, it would be well for you to have one of our men call and show you the samples.

Kindly drop a note into the Campus Postoffice.

M. B. Gibson, Editor.
