## Six Hundred Pictorial Annuals Sold.

To date, about six hundred "Pictorial Annuals" have been sold, over half this number to cadets. The average sale per student canvassed is about one and a half copies, and not a day passes that someone does not increase the size of his original order from one to six copies.

All of these orders to date have been taken with a single "dummy." The sample will be here next Monday and by Wednesday every person at College will have had an opportunity to see the real thing.

Just a suggestion: Take a pencil and put down the names of the people you would like to remember at Christmas time. Now keep this number of gifts in mind when you place your order for the "Pictorial Annual."
