About Next Turkey Day Scrap.

How much of a fighter are you? We are going to need every bit of the fight we can muster on Thanksgiving Day. That applies on the field and in the grand stand. Dope and everything else to the contrary, Texas has a little the edge on A. and M. The fact that the game is to be played on Clark Field gives them more edge. BUT — last year we won under odds that were twice as great. We CAN do the same thing this year. If the team gives its maximum efficiency, there will be a victory for us on Turkey Day. It looks mighty like they are going to do that very little thing. Here's YOUR — help the men who will go on the gridiron, in every way you

can; keep quiet, keep out of their rooms and insure them good, wholesome rest and sleep; don't fill their minds with too much talk about football, and above all things manifest the fighting spirit that has marked the A. and M. Cadet Corps for years, and there will be a hearty response out on the gridiron.
