Spencer of St. Louis, one of the greatest platform speakers in this country. This meeting is one of the most important of the conference.

The mass meeting Sunday at 3 o'clock is another time when the students are urged to attend. Mr. Paulson of New York is a man with a message for men only.

The campus people are welcome at the other sessions; that is, Friday night, Saturday sessions, and the closing meeting Sunday night.

The balcony is for visitors, the main floor being reserved for the delegates.
