Concert Saturday Night.

The College Mandolin Club has secured a return engagement for M. Paul Jones for a novel concert Saturday night in the College Chapel, immediately after the picture show. All of the old boys remember the hit that Mr. Jones' Sextette made last year and his playing with the Glee Club. Mr. Jones writes that this concert, which consists of the characteristic music of the different nations, including the Hawaiian guitar, has made the biggest hit yet. The encores will all be of the latest popular music. This concert is given for the benefit of the Mandolin Club.
