

THE DAILY BULLETIN

Published daily (except Mondays) by the A. and M. Print Shop for circulation among students, faculty, and campus residents.

Vol. II. College Station, Texas, Friday, December 15, 1916. No. 71.

TEACHERS, ATTENTION!

At a meeting of members of the teaching staff and of College employees at the Y. M. C. A. Monday afternoon at 4:15 o'clock plans will be discussed for the organization of a College Men's Club. It is possible now to secure good and comfortable quarters for a social club in case a sufficient number of men are interested. The cost will be exceedingly small. It is planned to provide all the comforts of a social club of the first class. If you are interested attend this meeting Monday, December 18, as this organization would fill a long felt need.

IKE ASHBURN.

Exhibition of Etchings.

Through the courtesy of Kappel and Company, of New York, a collection of fifty etchings (all remarque proofs) are on exhibition in the Architectural Club meeting room. (Main Building, Room 400.)

Tonight at 7:30, an illustrated lecture on Etchings (American Federation of Arts course) will be given by the Architectural Club, which extends an invitation to the cadets and campus people to be present.

The etchings can be bought; prices range from ten to twenty-five dollars.

Board Will Meet Saturday.

The Board of Directors of the College will meet in Ft. Worth Saturday, to award the contracts for the veterinary science building and for the completion of the steam plant. The veterinary science building will cost \$100,000 when completed.

Work on the new auditorium and the experiment station building should begin before school closes for the holidays. The contracts call for the completion of those two buildings by July 27, 1917.
