Will Organize Club.

What is generally regarded as a highly satisfactory arrangement for the provision of rooms in the Y. M. C. A. for the College Club, an organization for the teachers and officers of the institution, has been agreed upon by committees representing the Y. M. C. A. and the proposed club. Under the terms of this agreement two rooms will be provided for the club. Members will have the privileges of the Y. M. C. A. building. The cost will be nominal.

Consideration of this agreement will be had and final organization will be perfected at a meeting to be held Friday afternoon at 4:20 o'clock in the chapel of the Y. M. C. A.

It is urged that all teachers and officers of the college attend this meeting.
