

# THE DAILY BULLETIN

Published daily (except Mondays) by the A. and M. Print Shop for circulation among students, faculty, and campus residents.

Vol. II. College Station, Texas, Thursday, January 18, 1917. No. 90.

## To Campus Residents and Cadets.

During the past twenty-four hours there seems to have been an unusual consumption of water on the campus, that exceeds the present output of our wells. In order to prevent a water famine, I request that water be used as economically as possible and that if leaks are observed they be reported promptly to the Department of Buildings and Grounds or to myself.

H E SMITH,  
Supt. Power Plant
