

THE DAILY BULLETIN

Published daily (except Mondays) by the A. and M. Print Shop for circulation among students, faculty, and campus residents.

Vol. II. College Station, Texas, Sunday, January 21, 1917. No. 93.

Change in "Bulletin" Policy.

The "Daily Bulletin" believes that there are many students who do not have an opportunity to read the daily papers and thus inform themselves as to the current events the world over. In view of that belief, effective Tuesday, January 23, The Daily Bulletin will carry a brief or digest of important happenings as they are chronicled by the daily press.

To those who read the papers carefully this will be of no interest, but it is the belief of the Bulletin that it will be of some service to those who have neither the opportunity nor the inclination to read carefully the daily papers.

Cadet Has Pneumonia.

Cadet S. H. Taylor of Goliad, freshman, General Science Course, has been very low with pneumonia at the College Infirmary. The boy's relatives have been here for a day or two.

All cadets and campus people will be interested and are invited to attend.

Dallas Club Picture.

The picture of the Dallas Club taken some time ago was no good. It will have to be retaken today. Meet on the Mess Hall steps, middle division, right after dinner. Ike Ashburn needs this picture for publicity use. Be there without fail.
