force assigned the duty of seizing, fortifying and defending advance bases.

(c) As a mobile force consisting of infantry and artillery—

(1) For duty in supporting the fixed defence forces in the defence of advance bases.

(2) For expeditionary duty, such as that performed at Vera Cruz in 1914, and now being performed in Haiti and Santo Domingo.

(d) As military garrison to provide guards for navy yards, naval magazines, and other plants vital to the upkeep and efficiency of the fleet, both in peace and in war.

(e) As detachments for duty at target ranges, recruit depots, United States legations abroad, naval prisons, for administrative purposes.

(f) As recruits under training.

The pay and allowances of Marine officers, grade for grade, are the same as those of officers of the infantry of the U. S. Army. The base pay of a second lieutenant is \$1700 per annum, and in the Marine Corps should address the Major General Commandant, Headquarters, U. S. Marine Corps, Washington, D. C.

## Cadets, Attention.

Take time to read President Wilson's address to the Senate. It may be a history making address. It can be found in Tuesday's daily papers.

A. and M. now has a dependable time piece. You can set your watch by the clock on the stairway at the Main Building. The clock was connected yesterday with Western Union wires and is set regularly by that service.
