Baylor Girls Here Saturday.

The Longhorn management will present the Baylor College Glee Club at the Chapel Saturday night, February 17th at 8:15. The "old boys" will tell you that these thirty young ladies are an unusual attraction. Do not miss one the events of your college year! If you love beauty, good music, and a program of the latest popular songs, come out and enjoy yourself.

Are You a Well Read Man?

"Reading maketh a full man." Not the reading of one particular course of study, mind you, but general reading will make you a broad man. Newspapers and magazines are as necessary for your enlightenment as are the text books. A little bit of cash only is needed. Sorry we can't afford to credit you. Thanks for your patronage.
