

OFFICIAL NOTICES

ENGINEERING CONFERENCE 7:30 TOMORROW EVENING (official)

The December meeting of the Engineering Teachers' Conference will be held in the Mess Hall Annex at 7:30 tomorrow evening. Dean Winkler will discuss some teaching problems, and C. L. Poole, president of the Texas State Manufacturing Association and G. M. Knebel, vice-president and general manager of the same association, will discuss some of the manufacturing problems of Texas.

The dinner will be seventy-five cents a plate. Please 'phone your reservations for dinner to my office by 9:00 o'clock tomorrow morning.

All teachers of engineering students are expected to attend the meeting, and all others who are interested, including ladies, are welcome.

F. C. BOLTON, dean,
School of Engineering.

GEOLOGY ELECTIVES

(official)

Students who have decided definitely to elect Agricultural Geology, Course 210 (2-2), and Petroleum Geology, Course 404 (3-3) for the second term of 1924-1925 are requested to notify the Head of the Department by not later than December 15. Such notification is necessary in behalf of

the departmental book orders that must be submitted before the Christmas holidays. In the meantime, we shall be very glad to confer with any students who are thinking seriously of taking these electives.

E. OSCAR RANDOLPH, head,
Department of Geology.
