

Col. E. B. Cushing of Houston, General Manager H. E. & W. T. Ry., founder and grand commander of the Alpha Phi fraternity was here to the grand delight of all who were fortunate enough to know him. Mr. Cushing has done more for the ex-cadets of the A. & M. college than any student that ever attended the college. He made many new friends.

Mr. and Mrs. W. E. Perlitz of Schulenburg, were among the visitors. Mr. Perlitz is of class '93.

Colonel T. Hadley Franklin of "Drum Major Degree" fame, came up from Houston to see the sights. Mr. Franklin is an active member of the Alpha Phi fraternity and very popular with the fair sex.

J. S. Radford of Houston, class 1890, crowned himself with honors by his address before the literary societies. Quite a number of the young ladies were heard to ask if Mr. R. was a single man. We think Mrs. R. had better accompany Mr. R. to the next commencement.

L. E. Allen of Marlin, class 1887, of never missing a commencement fame, was popular as ever with the boys. We trust that Lea will never break his record.

H. F. Jonas of Houston, class 1888, chief draftsman in Bridge and Building division Southern Pacific Ry., was here.

Mr. E. W. Hutchinson of Houston, class 1889 was a prominent visitor to his alma mater. No graduate of the A. & M. C. is better known or more highly esteemed than Mr. Hutchinson.

Dr. E. G. Cochran and wife of Greenville, were the happy recipients of a nine pound boy on June 9th.

C. S. Miller, the live real estate man of Balliager, Runnels county, attended commencement and while greeting his many friends attempted to secure the services of one of the present first class.

Dr. H. G. Smythe of Bryan, attended commencement, joined the Alumni association and subscribed for the Battalion one year in advance.
