

Galveston

Business

University.

A high grade institution that combines thorough business training with a good English education, in shortest time consistent with thoroughness, and at lowest possible expense. Total cost for three calendar months, including board, room, lights, books, stationery and tuition, \$60.00. Six months, \$110.00. These rates are not approximated by any other High Grade Institution.

ABSOLUTELY THOROUGH.

The only business training school in the South employing a complete faculty of expert specialist instructors devoting their entire time and ability to their respective departments. Most magnificent building, banking fixtures, office and shorthand equipments to be found in the United States. Course of training unsurpassed on earth and in some respects unequalled. We get practical results.

FINEST PENMANSHIP IN THE WORLD.

The best evidence of superiority is results. We refer all interested to the hundreds of our graduates and students holding responsible positions in Galveston, Texas, and surrounding States. No G. B. U. graduate has ever made a failure in holding his position directly from the schoolroom.

No antiquated theories of book-keeping. The student learns business and accounting by transacting business and keeping books under the supervision of an expert. All forms of accounting from the simplest single entry to the most complicated corporation set, of joint stock companies, including banking, expediting and auditing. Everything up-to-date and practical. Our reference as to standing of the G. B. U., reliability etc., is, any bank, business firm or reputable citizen of Galveston.

Elegant catalogue free.
