SHOES!

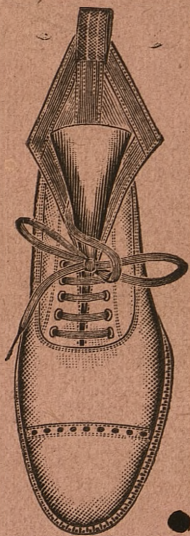

While we carry a full and complete line of Shoes from 50c Childs to \$5.00 Shoes, we call your attention specially to our

\$3.50 and \$5.00 Lines.

Our \$5.00 Shoes are the best money will buy. We have them in all desirable leathers and most stylish toes. They are made by Banister & Turner—none better. Toes are similar to cut.

Our \$3.50 Regent Line.

These Shoes have great value and style in their good, heavy soles and extension edges. They are Shoes for every day as well as dress, and are guaranteed to give good service.

In ordering state color (no greens or oxblood—Chocolates, Tans and Black are the correct shades—in Box Calf, Calf Skin, Vici Kid, Russia and Willow Calf), size and width—and leave the selection of toe to us. Widths, A, B, C, D and E. The best way is to have a long, narrow shoe. Say, if you wear a 6E a 6 1-2 D will give a better looking Shoe on the foot.

On orders of \$5.00 or more express will be prepaid. Cash must accompany order.
